

Students Reveal Educational Plans

Five of the 19 seniors graduating this spring, who plan further study beyond high school, were guests of the Brookings Rotary Club, Tuesday noon, and were given best wishes for their careers, as they have chosen.

MaryAnn Biddle, told Rotarians she planned to enter Prigham Young University this fall, with a doctor of medicine degree as her goal. She thanked the club for this reception, and declared she had long wished to study medicine.

Margaret Byrne will take special work in music this summer at Portland, and this September will enroll at Willamette University to major in music.

Lois Ann Miller will enroll at Humboldt State, she told members, to major in elementary education. She was asked why she did not wish to pursue physical education as a major, but offered no comment.

Charles Burtis, a transfer to Brookings this year, said he was going to enroll at Oregon Institute of Technology at Klamath Falls to study refrigeration this fall. He wished to follow a trade rather than a profession.

Jimmy Vincent expects to attend Oregon State College, to eventually prepare himself for commercial and news photography. He is class valedictorian.

Promised Help On Lily Tariff

Aid, in any way possible, was voted by the club, to lily bulb growers of the area in their battle to prevent lowering of tariff on Japanese-raised lilies coming into this country. The chamber of commerce and club are co-operating in every way possible.

"Soul and Body" is the subject of the Lesson-Sermon in all the Churches of Christ, Scientist, on Sunday, May 21.

Golden Text is "My soul, wait thou only upon God; for my expectation is from him" (Ps. 62:5).
Among citations which comprise the Lesson-Sermon is the following from the Bible: "And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell" (Matt. 10:28), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Fear him which is able to destroy both soul and body in hell" said Jesus. A careful study of this text show that here the word means a false sense or material consciousness. The command was

a warning to beware, not of Rome, Satan, nor of God, but of Sin." (Page 196).

DAVE HOOVER
Dave Hoover, a man who has worked with his own hands and knows the value of a dollar, will work for economy, efficiency and honesty in government. Dave Hoover does not CLAIM TO KNOW all the answers. He does not believe "teacher knows best" what is good for the people of Oregon and the nation. Hoover will remember the old proverb: "pride goeth before a fall." Hoover will go back to Washington and keep his mouth shut once in a while. He will not indulge in high-flown flights of oratory nor fall in love with the sound of his own voice. If you don't like the way things are going and think it's time for a change — CAST YOUR VOTE FOR HOOVER FOR U. S. SENATOR

DON'T VOTE AWAY AMERICA'S FREEDOM

the people of Oregon as a protest against beat-ups, bombings and other excesses. Shortly afterward, he was appointed to the War Labor Board by Franklin D. Roosevelt, who had been assured that Morse was *sympathetic* to the aims and objectives of the New Deal. No one can deny that Morse has been a life long member of the "tax and tax and spend and spend" school of politics. Morse has said repeatedly that it is *neither necessary nor even desirable to balance the national budget*. Take another recent example of the Junior Senator's position on a most significant issue: While Morse has said he is against the proposed CVA act, *as it is now written*, what did he do on the matter of the proposed Columbia Basin accounting pool? Senator Gordon termed it "socialistic" and a start toward CVA. Gordon voted *against the bill*. Morse *voted for it*, along with Democrats Magnuson of Washington, and Taylor of Idaho.

Ballots can destroy America just as effectively as bullets. As HOOVER has said from the beginning, the issue in this campaign is LIBERTY vs. SOCIALISM. HOOVER stands for individual freedom versus a government-controlled economy. HOOVER has pledged to work for a balanced budget and the retirement of the public debt. Halt government squandering of Federal Funds, thereby making it possible to reduce our crushing tax burden. HOOVER recognizes that government has nothing to give to the people except that which it first takes away from the people. HOOVER will be guided by the interests of all the people of the State of Oregon and the United States, and will not be subservient to pressure groups. HOOVER favors the protection and preservation of free enterprise because only through free enterprise will the people remain free. HOOVER will not be a party to the confirmation of any Federal executive who does not have an unblemished personal or political record.

And where does Hoover's opponent stand on these things? A self-proclaimed "liberal," Morse received his early political training under the influence of the La Follette of Wisconsin. In 1938, while still a professor at the University of Oregon, Morse fought on the side of the "goons" against the so-called "picketing bill" which was passed by

Abraham Lincoln said this nation cannot exist "half slave and half free." Neither can the Republican party. The Republicans of Oregon cannot carry water on both shoulders. If, at the top of the ticket next November, the Republicans of Oregon attempt to defend a "liberal" on one hand and a conservative on the other, the party will go down inevitably to defeat.

They Fought for Freedom—Don't VOTE IT AWAY

Hoover is a veteran of World War I. Morse has never been in uniform. State Comm. Vere McCarty, Department of Oregon, VFW put his organization "on record denouncing Senator Morse as a sponsor of Senate Concurrent Resolution No. 56 which seeks to develop the United Nations into a world government that would supersede the Constitution of the United States."
WHO PUTS UP MORSE'S MONEY?
The big Eastern labor bosses are raising \$15 million nationally to retain "friendly" candidates, Morse is their No. 1 boy. On April 15, 1950, at Klamath Falls, James Marr, exec. sec., State Federation of Labor, said: LLPE drive for funds for political use is falling flat in Oregon and the national organization is **SENDING MONEY INTO THIS STATE FOR POLITICAL PURPOSES**. Marr said LLPE ALREADY HAD SENT \$2500 IN BEHALF OF SENATOR WAYNE MORSE OF OREGON.
