Dial 181 For Either Fire, Ambulance

Residents of the Brookings Rural Fire Protection district in the future, will dial 181 in case of fire, the volunteer fire department told the Pilot Tuesday. Person ringing the number is

asked to stay on the telephone to give exact location of fire to anyone answering from the fire hall. The fire siren is now being operated from a switch in the fire hall.

For emergency use, the community ambulance may be also called by using 181.

This clears up much doubt in minds of the people of the area since installation of the dial system in Brookings.

ESTIMATED TELEPHONE TRAFFIC 1950 75,000,000,000 CALLS

75 BILLION

is a lot of telephone calls!

By spreading 75 billion telephone calls equally over the nation's 40 million telephones, an average of over 120 calls per month will be made on each telephone during this year!

This expected all-time high telephone traffic load is further evidence of the indispensable usefulness of the telephone to the American people.
