

LANGLOIS NEWS

By Nancy Moore

A good many clams had their rest disturbed Sunday when several people from here and vicinity went to the beaches in search of a good dinner.

Mrs. Carrie Boyce returned on May 29 from Benton City, Wash., where she has been visiting her son-in-law and daughter, Mr. and Mrs. Wilburn Autrey, and their three small sons.

Sixes Grange will hold its regular business meeting, Saturday, June 10 at the hall, at 8 p. m.

Mrs. Hood of Corvallis visited her daughter, Mrs. Evelyn Boice, for a week. She returned to Corvallis Friday, taking her two granddaughters, Judy and Janice, with her for a visit of two weeks.

Milly, Fred and Iris Robbins returned home Wednesday from Cottage Grove where they visited their grandmother for a week.

A notice is posted in the post office which states an election will be held June 22 at the high school to decide whether or not Langlois students will be sent to Bandon next year. Voters are asked to remember the date.

Leonard Vaghan of Vaughan Seed Co., New York and Chicago, was a recent visitor to Curry when he was contacting bulb growers.

Forrest David, of Brookings bulb inspector for this area, was looking over fields in northern Curry county this week.

Bill Anderson, old-time resident of Denmark, but now of

Langlois, and his daughter, Mrs. Everett Bagwell of North Bend, spent Thursday with the George Guerins. They were on their way to Sixes where they will visit the Ferriers and Charles Fitzhugh for a few days.

Mr. and Mrs. Will Russell of Coos Bay spent Sunday visiting the Lutes Henry and Mrs Sarah Cheever.

Mrs. Pauline Anderson clerked at Dinty's store during the past week.

Mrs. Mattie Mosher of Coos Bay and Charles Russel of Scottsburg spent Memorial day in this vicinity.

Visitors at the George Guerin home Tuesday were Mr. and Mrs Charles Guerin, their son Tom

and wife, and tom's two small daughter's Sheryl and Anne.

Mr. and Mrs. Frank Croston and two small sons are visiting at Salem with Mrs. Croston's mother.

Mrs. Dorothy Brown is now employed as cook at Langlois Grill.

Mr. Mitchell and son Jim spent the week-end at Portland. Mr Mitchell is employed at Alldrop's garage for the summer.

Speed Anderson has been voted president of the Bandon high school band for next year.

Several boys and girls in the community are busy preparing for their trip to 4-H summer school at OSC. Those going from this vicinity are Mary Donaldson, Iris Robbins, Gerald Phillips, Glenda Holycross, Irene Sypher, Delores Bruchler and Donald Campbell.

Mrs. Ethel Corrick of Coos Bay spent Memorial day here

Mr. and Mrs. Harold Batt and son Fred have moved back to Langlois from Port Orford. They have bought a home.

Rev. and Mrs. Charles Bates conducted services at Langlois Community church, last Sunday.

Friday, June 2, the temperature registered the highest and humidity the lowest of any day of the year. The logging crews ceased operations and most of the men helped fight fire at Humbug.

Vic Reynolds Scores Again

Victor Reynolds is becoming world-famous as a chef since his first recipe appearing in Sunset Magazine.

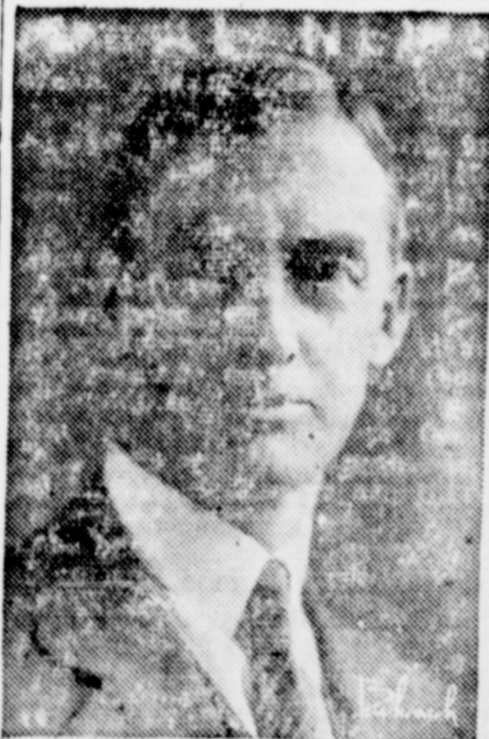

In the June issue of the magazine's "Chef of the West," page, Victor's corn rolls were featured as the recipe of the month. This is Vic's third time since the first of the year, to make this honor.

The old master of the barbecue, is being approached by several cafes, it has been reported, but Vic's love of the great outdoors does not permit confinement to a hot kitchen.

Christian Science Reports '49 Gains

Vast new evidence of the power of pure Christianity to solve mankind's problems in modern times were reported today by the Christian Science Board of Directors.

Addressing a gathering of nearly 7,500 Christian Scientists at the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, the Directors declared that healing of sickness, "release and en-

richment"—a full answer to human trouble—awaits all mankind through the utilizing of spiritual power.

Emphasizing "the meaning of pure Christianity" for the present age, the Directors pointed to concrete evidence that spiritual power can be utilized to heal disease, enlarge individual capacity, provide "sure guidance," uncover hidden resources, and provide without measure, "the precise good that is needed" by every individual in every human circumstance.

Their message, read by Thomas E. Hurley, retiring First Reader of The Mother Church, highlighted a session at which progress was reported in many Christian Science activities. A report of healings of serious diseases by Christian Science, compiled from many countries, was read. The Directors reported that a "marvelous new effectiveness" in the practice of Christianity is resulting today from the "scientific understanding" of its meaning. In referring to substantial growth during the past year in the number of Christian Science church-

es and the ranks of the denomination, the Directors added: "The healing work of Christian Science, always the best barometer of growth in the movement, was never of better quality or on a larger scale than in the last year."

The audience filled three auditoriums in The Mother Church edifices as well as a nearby theater.

Adherents traveled from every state in the union and from Europe, Asia, Australia, and other distant points to attend.

Many arrived in time to attend Sunday services yesterday, and The Mother Church—whose main auditorium seats over 4,000—used the theatre building for the overflow. In addition to today's comprehensive session, a series of meetings on various special subjects will be held tomorrow and Wednesday.

Throughout the main session ran the theme of the validity and power of Christianity to answer the problems of the modern age. Walter S. Cross of Fitchburg, Mass., Christian Science practitioner and incoming President of The Mother Church, declared in his keynote address: "Men need a deeper understanding of God and His laws in order to cope with the present-day chaos and confusion in world affairs—there is an answer to the mesmeric doctrines of tyranny and mental domination which would spread terrorism over so large areas of the globe. The answer lies in the spiritual realm, and is available now."

Steady progress was recorded in reports of various Christian Science activities. George Channing, Manager of Committees on Publication, reported that insurance companies and state laws in growing number recognize the validity of Christian Science treatment, and the right of Christian Scientists to practice their religion by relying wholly upon prayer for physical healing. In referring to Camp Welfare activities of the church, Gordon V. Comer, Clerk of The Mother Church, mentioned the healing within one week of a veteran, suffering from paralysis, who had not walked for eight years and had not talked for 20 years.

Reporting for the Trustees of The Christian Science Publishing Society, John H. Hoagland, manager, said circulation of The Christian Science Monitor and of the denomination's weekly, its monthly, and quarterly religious periodicals had in the past year "reached the highest levels since their founding." He reported an "increasing volume of healing testimonies" volunteered by persons restored to health by Christian Science.

The church does not publish membership figures, but the Directors reported that in each

year since 1902 the net gain in membership has exceeded the gain of 2,784 reported for that year by Mary Baker Eddy, the Discoverer and founder of Christian Science. In each of the last 40 years, including the one just past, the gain "has been several times as large," they stated. They reported a net gain of 38 Christian Science churches in the past year, bringing the total to more than 3000.

OPHIR NOTES

By Marian Miller

Don Anderson of Grants Pass was a week-end guest of Travis Miller.

Miss Nell Shepherd underwent a major operation at Gold Beach hospital, Friday.

Mr. and Mrs. Dennis (Mutt) Wade have recently taken over the Ophir store. Mr. and Mrs. L. A. Shepherd, former owners have moved into one of their cabins about two miles south, while their new home is under construction.

Mr. and Mrs. L. A. Shepherd are on a vacation trip to Washington.

Ophir high and grade school students receiving scholarships to the 4-H summer school at Corvallis are Eudora Moore, an Ophir Grange scholarship, Janis Burn, Ophir Extension unit; and Betty Lou Whittaker, Curry County Bank.

Draft Registry Set Up In Brookings

PORTLAND—Selective Service System Act of 1948, Public Law No. 759 of the 80th Congress, requires that all men on reaching their 18th birthday must register, however, these men are not classified until reaching their 19th year, and to facilitate this requirement the Oregon State headquarters has appointed Mrs. Eva Lea Long as registrar for local board No. 15, Coos and Curry counties.

Mrs. Long makes her office at the Pete Lesmeister Agency.

Shower Was Given

Little Miss Harriet Chapman, six-weeks-old daughter of Mr. and Mrs. Sonny Chapman, and her mother were the honored guests at a baby shower given at the home of Miss Norma Felipe, by Miss Felipe and Mrs. Kathryn Reekman, May 30. A large group of friends and relatives were present for an afternoon of conversation and games, with Mrs. Chapman opening the many gifts her daughter had received.

The hostesses served refreshments late in the afternoon.
