## Salem Man Said C. V. A. Will Take "Human Rights"

Charles E. Ogle, secretary-manager of Fort Products Corp., Salem, was speaker, Tuesday at Rotary luncheon, explaining the C. V. A. plan and its implications, and how these will affect the entire northwest.

"The CVA is not dead, gentlemen, even if there seems to be no activity anywhere along the front. The proponents are working in through the back door, as it were, through bills introduced by Senator Taylor of Idaho and Senator Magnuson of Washington, under guise of irrigation.

"Study of the bill denotes how the northwest will lose its rights in everything. The board comprises three men, suitable to the administration, and therein lies the danger. Proponents of the CVA point out that the power companies who fought Bonneville and Grand Coulee are leading the opposition. That, however, is not the case. They also point out that all things, such as federal aid to highways, etc., had opposition, and to look at the benefits now derived.

"The danger lies," the speaker emphasized, "comes from the dictatorial powers of the board set up to govern the administration, not from the project, which has some merit, without question. The authority would place too much power in the hands of the federal government, depriving all states and counties, as well as municipalities of taxable revenues. The manipulations of this board can easily wreck the nation, the apparent goal of so many such as Senator Taylor, ex-Gov. Mon C. Wallgren, Sen. Magnuson of Wash., and others."

Copies of the bill, together with literature exposing the methods through which the act is being set up, were distributed. Anyone wishing to read these may ask any Rotarian for the loan. A copy of each is at the Pilot.

## Rain Halts Games Over Week-End

All games of Southern Oregon League were halted Sunday by rain, the Pilot was informed on Monday. Pete Lesmeister, local business manager, went to Roseburg Saturday evening to see, early Sunday, the prospects of a game, under the threatening conditions which prevailed here at the time. However, during the night rain started there and by game time, there was much too much moisture to permit playing the scheduled game against Roseburg.

On his return to Brookings he came by way of Grants Pass, and found that it was raining at that place also, as along the Rogue River.

The Pilot was not able to determine what will be done about these games, but it is presumed they will be made up at some date before the season closes.

The Pelicans will play Grants Pass at Grants Pass Sunday.

W. W. Smith and A. C. Thompson left Monday for Portland to attend grand lodge session of the A. F. & A. M. held there Wednesday, Thursday and Friday. The two were delegates from Sidney Croft Lodge.

## Violet Jagers and Phyllis Darger Go To "Beaver Girl State" For Ten Days

Better to understand government, politics and civics, Violet Jagers and Phyllis Darger, two juniors of the local high school, were picked to be sent to Beaver Girl State at the Willamette University Campus this week, by Unit No. 138, American Legion Auxiliary.

Sponsored by the department of Oregon, Beaver Girl State is the finest available training for democratic leadership that may be found anywhere.

The purpose of Girl State is to provide citizenship training for girls of high school age in every state, to afford an opportunity to live together as self-governing citizens; and to inform them about the duties, privileges, rights and responsibilities of American citizenship, in order that they may understand and participate in the functioning of their government; helping them to grasp the meaning of some of the responsibilities which they must assume, as American citizens, when they become adults.

Girl State starts with the organizing of city government, then the county, then state government. The girls elect their own officials and with each selection the girls immediately function in their respective offices.

As soon as the state officers are elected the program is carried out at the state capitol, with the senate and house of representatives carrying out their program with the discussion of various bills they have introduced.

The week's program is rapid and spontaneous, climaxing when the units (a unit consists of 25 girls) present their choice candidate for the final selection for Girls Nation.

Two girls and two alternates are the choice of judges. Girls Nation is held at Washington,

Foundation forms were poured at the Wilson Freeman residence for a garage. Work will commence soon.

## State W. C. T. U. President Spoke Here, Tues. Eve.

Mrs. Ruth Tooze, president of Oregon State W. C. T. U., spoke at the current monthly rally of Brookings Temperance Society, Tuesday evening. She told those attending at the Baptist Community church, of the advance of temperance work over the entire state.

All Oregon temperance associations are currently giving their support to the circulation of a petition which, if it meets the approval of the voters at November election, will make it illegal to sell promotively advertised liquor in the state.

The purpose of such legislation as Mrs. Tooze explained would be to prohibit false and misleading advertising such as the current advertising which appears to be directed primarily toward young people.

To demonstrate the rising cost of the use of alcoholic beverages to the taxpayers, Mrs. Tooze cited statistics such as: In 1948, 19% of the inmates of the state insane asylum were there due to alcoholic psychosis. In 1949 the percentage increased to 22%; a shockingly large number of the girls in the Hillcrest state home for girls are there due to alcohol and the taxpayers pay \$250 per month for their support; the same is true of the boys' home at Woodburn where the taxpayer is currently spending \$185 per month for each boy confined at that institution.

In closing, Mrs. Tooze challenged, "Will the name Ichabod, which in the Bible means 'the Lord hath departed,' be applied to our state and nation, or will we by the grace of God overthrow the tenacious grasp of the liquor monster? Ichabod or Maranatha, which shall it be? The choice rests with us."

## Directors Will Be Named, Monday, At School Election

The annual meeting of School District No. 17 will be held Monday evening, June 19, from 8:00 to 9:00 p. m. (standard time) or 9 to 10 daylight saving time, for purpose of electing one director for three years.

Term of Archie Hendricks expires this year. He was originally appointed when Howard T. James resigned from the board, and was re-elected last year to complete the un-expired term.

This year, voters of Zone 5 will elect a member of the Curry County Rural School board, with voting to take place at the same time and place. Mrs. Georgia Fromm, county school superintendent, and secretary of the Curry County Rural School District Board, has furnished ballots bearing the name of Homer Kessler, as candidate for rural board membership.
