

**LOCAL NEWS**

Mrs. Stanley Patterson and her daughter, Patty, left by bus Monday for Paradise, Calif., where they will visit Mrs. Patterson's mother for a few days.

W. W. Smith has been appointed constable for this district and also deputy sheriff by R. G. Sabin, it was revealed last Friday. John Ginther, acting in both capacities before, resigned as he planned to attend summer school this summer, it has been reported.

Mr. and Mrs. Harry Gray of Dayton were brief visitors in this area last Saturday, and said they were interested enough in settling here that they may be back soon. Mr. Gray recently retired from carrier on Route No. 1, Dayton, which he held more than 30 years. Mrs. Gray, teacher in the Amity schools, plans to retire next year when her contract expires. She has taught in the Yamhill county schools about 30 years.

Mr. and Mrs. Henry Kerr left Wednesday afternoon for Portland from where they will en-train for Detroit, Mich., where Henry will be delegate at the International convention of Rotary. More than 30,000, representing almost every country in the world free from Communist domination.

Mrs. Norton LaBrook and children left Tuesday by bus to visit her parents at Morton, Wash.

Immediately after close of classes last week, Gene Gould, son of Mr. and Mrs. Blair J. Gould, Brookings, left for Troutdale, and air base for two weeks of intensive training in air maneuvers. Gene, in the air reserve, will be home later this month, and will be employed at the Pilot office.

Mr. and Mrs. Clarence Shoop of Burbank, Calif., old schoolmates of Mrs. Claude Goldizen, called at the Goldizen home briefly last Thursday afternoon. They were en route to Washington to visit their children. Arriving home last Thursday from University of New Mexico where he had completed his sophomore year, was Vernon Goldizen, who will spend the summer in this area.

"Is the Universe, including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon in all Churches of Christ Scientist, on Sunday, June 18.

The golden text is "In the beginning was the Word, and the Word was with God, and the Word was God. All things were made by him; and without him; was not any thing made that was made" (John 1:1,3).

Among citations which com-

prise the Lesson-Sermon is the following from the Bible: "For behold, I create new heavens and a new earth; and the former shall not be remembered, nor come into Mind" (Isa. 65:17), together with the following correlative passage from the Christian Science textbook: "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In the universe of Truth, matter is unknown." A radically new idea in electric range design has been introduced by Frigidaire in this compact, 30-inch "Thrifty 30" model equipped with a giant oven that stretches clear across the porcelain-finished cabinet. The big oven will bake six pies or 10 loaves of bread at once, and is heavily insulated for most economical operation. In addition, this smartly-styled range is equipped with four new "flat-top" cooking units, a waist-high broiler and automatic oven controls, cooking lamp, appliance outlet and super-size utensil drawer.

Brilliantly designed and distinctively styled in gleaming white, gold, chromium and ice-blue, this streamlined Frigidaire DeLuxe refrigerator is representative of an extensive new 1950 line of 20 models in three types. Featured are such innovations as adjustable and sliding aluminum shelves, twin extra deep porcelain Hydrators which can be stacked to make space for big items, a new full-width plastic chill drawer for beverages, and a new plastic basket drawer for eggs. The new full-length door and ice-blue and gold interior trim make it particularly pleasing.
