"Matter" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, Sept. 17.

The Golden Text is "Every plant, which my heavenly father hath not planted, shall be rooted up" (Matt. 15:13).

Among citations which comprise the Lesson-Sermon is the following from the Bible: "Set your affection on things above, not on thing on the earth" (Col. 3:2), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. "We should forsake the basis of matter for metaphysical Science and its divine Principle" (page 196).

There will be a church census taken in this area on Sunday afternoon, Sept. 17, for all churches of this area. This survey will be conducted by members of various churches and all persons in the vicinity are asked to co-operate in giving the information needed.

This census is being taken in order that the many newcomers to the community may be contacted by the churches and be informed of the services held in the respective churches.

Mr. and Mrs. Wm. H. Zickler who celebrated their 30th wedding anniversary last Sunday, were surprised by their two daughters, and son-in-laws, Mr. and Mrs. Robert G.
