**TO EVERY PROSPECTIVE 1950 - 1951 CAR BUYER:**

It will pay you to **KNOW THE FACTS**  
back of **Kaiser \* Frazer**  
**ANATOMIC**  
**DESIGN**

*What it is* — ANATOMIC design is an engineered way of fitting vital points in the car's structure and styling to the human anatomy . . . an exclusive new Kaiser principle that has the whole country talking!

*What it does* —

1. Adds to Comfort. Anatomic design aids natural, relaxed driving or riding posture. Careful step-by-step planning locates driving controls in the most convenient position for normal use. Front seat adjustment, to fit any stature. Drive tough roads all day long or buck the thickest traffic without tiring.
2. Increases Safety. New ease of control and better road vision are two of the several features made possible by Anatomic design, giving you complete command of your Kaiser at all times.

**K-F**  
*Drive-Away Plan*

Enjoy an inexpensive vacation trip East this summer. Be our guest at Willow Cottage . . . Drive your new Kaiser home, and let freight savings pay for most of the trip. Come in anytime and let us explain the details.

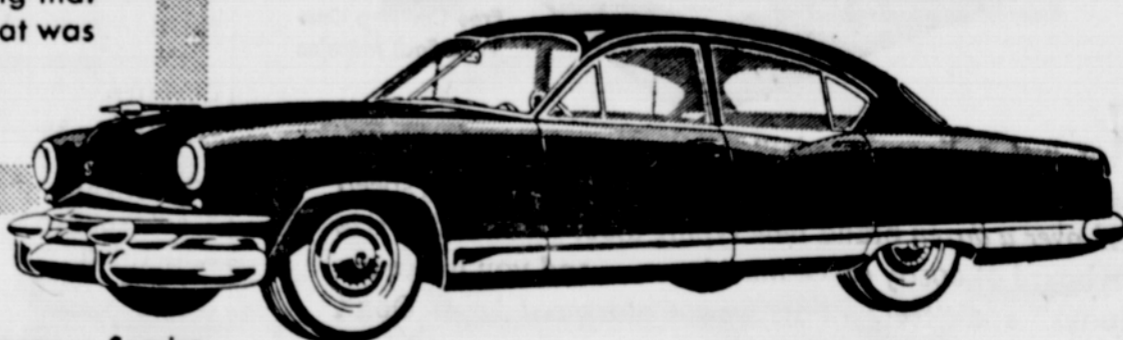

**Supersonic High-Torque Engine.** Economy, efficiency and dependability, plus that "extra spurt" at your command when you need it. 115 horsepower, with 7.3 to 1 compression.

**Balanced "Lifetime" Chassis.** Kaiser's new spring suspension and high-line fenders give you the comfort of a level-flight ride. Extremely low center of gravity protects your safety. Effortless Truline steering is self-recovering after the sharpest curve; lets you turn or park your car like a tricycle.

**Choice of 3 Types of Drive.** Completely automatic Hydramatic Drive, Standard Manual Transmission, and Overdrive with Standard Transmission.

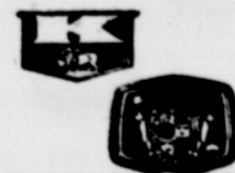

**Body styling and construction** throughout show the engineering that makes the '51 Kaiser the car that was

**"Built to Better the Best on the Road!"**

**K-F Maintenance Service**

You want to keep your car running and looking its best. A good way is periodic check-up and preventive treatment. All service work is fast, thorough and moderately priced in keeping with K-F standards.
