

S. P. Moves Goods To Set New Record

PORTLAND — In spite of a country-wide shortage of heavy freight cars—the most severe in many years — Southern Pacific has established an all-time high in the first eight months of 1950 for movement of freight shipments to and from Oregon.

This fact, eminently indicative of Oregon's spectacular growth and expanding economy, was revealed here last week by W. W. Hale, vice-president in charge of the railroad's system freight traffic. Mr. Hale is here with J. W. Corbett, vice-president in charge of operations for Southern Pacific, to give personal attention to transportation problems in Oregon.

Up to September 1, the tremendous total of 150,915 loaded cars had been shipped from Oregon points on the railroad's di-

vision out of Portland, the rail vice-president said, where as less than 50,000 loaded cars were hauled into the territory.

Because of the great disparity between Oregon's loaded inbound and outbound traffic, Mr. Hale pointed out, Southern Pacific has brought close to 100,000 empty freight cars into the Portland division in 1950 in order to give Oregon shippers their full share of available equipment.

Forest products, forming the great bulk of Oregon's outbound shipments, have accounted for 78 per cent of all freight movements on the Southern rails from this state, it was revealed. Records for the first eight months of 1950 show that the company hauled 118,175 carloads of lumber and other products of forestry from Oregon mills—more than ever before in any comparable period.

Next month this area will be entertained by a carnival. adv

Gov. Doug McKay Visits Gold Beach

GOLD BEACH—Gov. and Mrs. Douglas McKay were entertained at a luncheon sponsored by the "McKay for Governor" club Saturday. Approximately 50 people were present from several sections of the county.

C. H. Young introduced the guest of honor and the Governor gave a very interesting and instructive after-dinner talk. The McKays had been on their way north as they were traveling on a rigid schedule. They appeared at Sixes at 2:30.

Mr. Bullard handled much of the detail work of the event, held at the dining room of the Community church. Ladies of the church served.

Other Gold Beach Items

Mrs. Marvin Johnson gave a surprise farewell party at her home Tuesday for Deanne Schroeder. A number of her class mate and friends attended. Deanna will be leaving soon for Metoleus, where her father has purchased a store.

Mrs. Ray Keen and Mrs. Harold Day made a trip to Powers last week to visit Mrs. Keene's mother.

Not much news for you this week, folks, but we'll see what we can do for you next week.
