Charter Plans Are Almost Set, Dec. 9

Plans are taking shape for the momentous Charter Night festivities of the Gold Beach Rotary Club, December 8, beginning at 6:30 p. m. The Brookings club, sponsors of the new organization, will have charge of the program, which promises to be one of great weight and interest. The affair is planned for the high school gym, where ample seating room is available.

The program, subject to last-minute changes, will be: "God Bless America" by the audience; Invocation by Rev. John Mumbower; Introduction of visitors, each club present to rise and be introduced; dinner; solo by Pat-sy Cook; Skit by Bob and Alice Perkins; "What Rotary is Doing Over the World," Don Cate, Rotary Fellow to Switzerland; Address by representative of Rotary International; Presentation of Gifts; Presentation of Charter by Joe Breckel, district governor.

Huge Crowd Expected

Brookings club is expected to be present about 100%, with ladies; and clubs of Myrtle Point, Coquille and Coos Bay are expected to send large delegations. Clubs all over the district are expected to send delegates for the occasion, and those in charge expect almost 300 present.

H. J. Brunner, San Francisco, has been chosen by Rotary International, to give the principal address, Dec. 9, at charter presentation at Gold Beach, the Pilot was informed Tuesday. Mr. Brunner, a consulting structural engineer since 1908, has been a member of Rotary since 1908. He is past president of his club, No. 2 in Rotary International

Modern Market Set For Saturday

Grand opening of Redfield's Super-Market has been announced for Saturday, by Lyle Redfield whose new \$20,000 building would be an asset to any city. Elsewhere in this issue appears an advertisement telling of the inducements Mr. Redfield offers people of the area to come to inspect the new home.

Built by LeRoy Weideman, local contractor, and outfitted with latest refrigeration facilities by Fowler and Spraney of Albany, this new market is ultra-modern in every respect.

Opening at the same time is a meat market, featuring best obtainable meats of the market, under direction of Glen Hurst, recently of Albany and Lebanon, where he had charge of the Columbia Market. Both Mr. and Mrs. Hurst are not strangers in this area, for both spent some of their youth in this district.

Turn to page five for the message of the store.

Bruce Shavere, manager of the Coos-Curry Electric Co-operative was a business caller in this vicinity last Wednesday.

All-Year Events Assn. Will Hold Its Election

The 1950 annual meeting of All-Year Events Association is set for Wednesday, Dec. 16 at 8:00 p. m. at the high school gym for purpose of electing officers for next year.

This over-all association has given financial support to both Azalea Festival and Lily Blossom Time, this area's two great events, in addition to helping in staging a Hallowe'en party for the youngsters in conjunction with the Parent-Teachers Association.

Following the election refreshments will be served at the gym. Everyone in the community who has an interest in its welfare and prestige that come from these events, are urged to be present.

School Population Shows Big Jump

A new census, completed by Mrs. Dora Beaulieu, the district clerk, shows an enumeration of 557-311 boys and 246 girls. It is to be noted that this is an increase of 107 over last year, or 23.7 per cent.

Census figures for the last six years show almost a 70 per cent increase in school population:

1950	557
1949	450
1948	422
1947	370
1946	366
1945	309

Noting the figures, it may be pointed out that the increase over last year is greater than in any one of the preceding five years.

It might be further noted that the age groups from 7 to 13, inclusive, total 312, or an average of 44.5 for each age group. By actual figures "eight-year-olds" include 52 and 9-year-olds, 38; with the rest of the age groups ranging from 41 to 48.

It might be noted also that this year the problem of increased enrollment was cared for by the renting of the Community church basement to house a combined first and second grade, and by moving one section of the seventh grade to the high school building. Inasmuch as this year's 8th grade includes only one section, and next year's eighth grade will include two sections, it will not be possible to house any seventh graders in the high school.

Saddle Gift Robs Preacher Of Words

Rev. John L. Mumbower had nothing to say, for once, and it was several minutes before he could collect his wits, last Thursday evening, when an attractive hand-tooled saddle was presented him at the Thanksgiving dinner, served at Baptist Community church.

The gift, started by members of Chetco Wranglers, a riding group of the area, was completed by friends of the area who

LOST FOR WORDS

Gift of expensive saddle last Thursday surprised him until he almost "lost his speech."

knew of Rev. Mumbower's love of horesback riding, and coveted his Palimino mare.

Kept at Bradley Page farm, this horse gets her regular workouts from there. One day Rev. Mumbower missed the bit from his bridle. In his complaint to a few of the "Wranglers," much sympathy was given. Thursday, the truth came out when on the new bridle was the missing bit.

Said Mrs. Mumbower, after the presentation: "That horse has always been a competitor—now I presume I have no more chance. That gift was one which he will never forget—never."

VanDolsons Will Leave For Asia

Pastor and Mrs. Leo VanDolson of the local Seventh-Day Adventist church have accepted a call to connect with the Japan Union Mission of Seventh-Day Adventists for evangelistic work in that country.

"The needs in Japan are great and the opportunities are outstanding," they told the Pilot. "We feel that Christianity is especially needed there right now to provide a solid basis for Japanese democracy, even as it has provided the sound basis for our own democracy."

The VanDolsons and their two young children plan to leave Brookings the middle of February after the completion of the new Adventist church here. They will visit their parents for about a month and will sail from San Francisco the middle of March. No word has yet been received as to who will take the Adventist pastorate here.

Last Rites Held For Stanley A. Carr

Funeral services for Stanley A. Carr, who died Nov. 24, were held Wednesday at 2 p. m. from Baptist Community church with Rev. John L. Mumbower, pastor, officiating. Interment will be at Seattle.

Born March 4, 1909 at Seattle, he is survived by his son, Richard Earl at Seattle; brother, Ralph of Seattle, Merle of the U. S. Army, and a sister, Mrs. Florence Dunham, Tacoma, and sister-in-law, Mrs. Ruth Carr of Brookings.

Pall bearers were Roy and Cliff Brimm, Elmer Clausen, Art Crawford, Lester and Bob Dimmick.

Tragedy Stalked Family

As no one witnessed the accident, last Friday afternoon, details may never be known just how Mr. Carr was killed, but it is supposed that a log which had been "bucked" rolled over him. His presence was not missed until about quitting time. His body was said to have been badly crushed, especially about the legs, when found.

It was slightly more than a year ago that his brother, Benjie was killed in a logging accident, and late last spring a son was drowned in the mill-pond on Easy Street.

\$8,646 Needed For Hospital Fund

GOLD BEACH—According to C. E. Segar, chairman of Curry County Hospital board, who recently returned from a conference with the State Hospital Advisory board, Curry County is still lacking \$8,646 to complete its quota to be matched by federal appropriations.

Mr. Seger offered these figures in explanation:

COST, as per estimate for low bidder:

Construction	\$103,757
Equipment	24,825
Architect Fee	6,000
Contingent Fund	4,000
Soil Survey	200

TOTAL\$138,582

Money On Hand:

Serial Tax	\$ 50,000
Hosp. Assn. Fund	30,000

80,000

Federal Grant	40,000
---------------	--------

Total\$120,000

Recapitulation:

Difference	\$ 18,782
Add. Fed. Grant	6,000

12,000

Other Monies	3,875
--------------	-------

12,000

To Be Raised	\$ 8,646
--------------	----------

\$ 8,646

This deficiency is caused by increased construction costs due to Korean war.

Advisory board has set a meeting for Dec. 4 at the court house and if this amount is not met by that date Curry county will lose the federal allocation.

"Can we afford," asked Mr. Seger, "to lose our hospital with \$120,000 assured, because of a shortage of only \$8,646."

Jamboree Will Be Held At Gold Beach

A preview of the forthcoming basketball season will be given fans, Saturday evening at Gold Beach high gym when the annual jamboree will be held. Last year Gold Beach won it after a bitter struggle with Brookings, and went on to lose the county title in the play-off, but did represent the district in the state play-offs.

Coach Guthrie has plenty of absorbent towels for his crying. Two of his veterans, on whom he was depending a lot: Don Jaklewicz and Carl Kinion, are in the navy. Their loss to the team takes away some of the center height and experience Art Guthrie was relying upon.

Guthrie has been counted out before his coaching career, but has come through to win out—or at least make the race quite interesting.

Mr. and Mrs. Frank Tygart visitor their daughter, Mary Lou at Sacramento, Calif., and Mr. and Mrs. David Winn at Hanford, Calif. over Thanksgiving. On their week's trip they saw much flooded land from swollen rivers, during recent storms.
