Port Orford chamber of commerce met Monday night, Jan. 8, and outlined the business for the year. The group will launch its membership drive at the next meeting.

Mr. and Mrs. Eddie Norton spent New Years at Portland, both a vacation trip and buying tour for their variety store.

The Montgomerys were also in Portland for the holidays, then motored to Barstow, Calif., to visit a son, Roger, who is in the service there. Mrs. Montgomery is substituting in the bank for Velma Sabin who was called to California by the serious illness of her mother.

Home extension unit met Jan. 5th. The Young Homemakers held a night meeting, Jan. 4, at the home of Mrs. Virginia Forty, with 12 members present.

There was a new arrival for the James Lindbergs Jan. 6, their third daughter, weighing 8½ lbs.

Sgt. Lindberg is in Korea, driving a motor repair unit. The army "Stars and Stripes" recently carried an article commending Lindberg for his ability in keeping the machinery rolling.

An interesting letter to friends from Miss Myna Tilton tells of her travels through the central states on her way to Texas, to spend the winter. She visited her birthplace of Ramsey, Ill., and saw people she hadn't seen for 40 years. Points of interest along the way were Niagara Falls, the Mammoth Cave and Fort Knox, Ky., (where she was disappointed in not seeing Uncle Sam's big pile of gold). In Nashville, Tenn., she visited the broadcast of Prince Albert's "Grand Ol' Opry." She reports that the weather in her part of Texas is cold and windy, but lacks Oregon rain.

Mrs. Jessie Fromm is on her way to New York state, where she will visit relatives and friends.

Cecil Bush underwent dental surgery at Crescent City last week.

Regular monthly meeting of P.-T. A. will be held at the local grade school, Tuesday, Jan. 23. A financial report will show how much the Christmas program had cost. Local organizations responded readily with contributions. A P.-T. A. project planned for March is the yearly Amateur Hour, which can be the best yet with co-operation from all local talent.

Plans are under way in the high school for the minstrel and vaudeville act which will be presented some time in February.

The gymnasium has been busy with basketball during the past week. The home independents won from Coquille easily 48 to 20 on Thursday night. The main lineup includes Waltring, Marsh, Gates, Robinson, Hale and Sweet with several others turning out for practice.

Friday night the seventh and eighth grade team lost to Ophir, the girls volleyball players were also defeated, and the high school first string gained the honors, 32 to 29 from Ophir.

Saturday night saw the second string win from the Coos River Indians in a fast-action game, 25 to 16. Coos River first string showed a close co-ordination, providing an exciting game with the lead changing hands until the last quarter, when the Indians upped their score to end it 42 to 35. The new electric scoreboard is a great improvement. The combined Port Orford and Langlois bands played during the intermission.

G. A. Miller, father of Hazel Cram, is in the Sacred Heart hospital, Eugene, for medical attention. He was taken there by his son-in-law, Fred Harris, who was spending a few days here. Most of Mr. Miller's relatives reside near Eugene, so he doesn't lack for visitors while in the hospital.

Officers for the year were elected: Wm. Fisher, president; Cecil Watts, vice-president; Mrs. W. W. Wollam, secretary-treasurer; Dave Crockett and Joseph Rose, executive committee.

If you like to sing, you are being urged to go to the Community Church, Saturday night, and join the choir. Remember the parable of the talents. The remodeled choir loft will accommodate many new members. To A. F. Pierce and R. C. Baughn, goes credit for the carpentry.

Penny Supper, Sat. Drew Large Crowd

The highlight of the "Penny Supper," staged by P.-T. A., Saturday evening at the high school was the entertainment given by the Brookings Barbershop chorus members.

Some of the numbers sung by the group, wearing bright-colored vests, each distinctively designed were: "After Dark," "Moonlight Bay," "Sweet Adeline," "Old Black Joe" and Cony Island Babe." The group was not stingy with encores.

Meat Dept.

If you have the time at home to cook some of our "cheaper," so-called tougher cuts of meat, you will be able to save money and be assured of feeding your family well. Long, slow cooking at a low temperature will break down the tougher fibre and give you a truly delicious meat dish with more flavor than some of our more expensive cuts. We are aware of the fact that people have become conscious of how far the dollar will go. Next week we will give you meat prices, using cheaper cuts of meat.
