

Brookings Dumps Ophir Quint, Fri., Girl Lost Thriller

After leading 18 to 8 in the first half of the volleyball game Friday night, against Ophir, the Buinettes blew up and permitted the visitors to emerge winners 30 to 29 in a thriller, especially for the Ophir fans accompanying the teams here.

In the curtain raiser, local grades leaped out in front and were never headed to win 39 to 14 over Ophir grades. The score by quarters:

Ophir	3	3	6	14
Brookings	6	16	26	39

The A squad had on difficulty in holding a safe margin all the way to topple Ophir High, 55 to 37. Score by quarters:

Ophir	9	12	29	37
Brookings	19	29	43	55

Won Two From Bandon, Sat.

Brookings Bruins reversed the tables, Saturday night, on Bandon Pirates who had shellacked the Bruins at their Bandon meeting some weeks ago.

After the Bruin B squad had won, 34 to 29 over the visitors, a precedent had been set for the the A squad, which had a difficult feat accomplishing. Behind 19 to 15 at the half, the Bruins had almost complete control in the last half, as Bandon had held the upper hand in the first.

Backboard play of Fitzhug and together with the floor work of Vaughan and Moore made up the difference in the second half, after Bandon had concentrated attention on Berger.

Midway in the third quarter, Brookings had a 12-point lead, which was jeopardized seriously after Johnson and Berger went out on fouls, but an effective stall saved the game for the Bruins, 35 to 33.

Krugers Attend OSC Observation

C. W. Kruger, who romped the maple courts for Oregon State College back in the days of 1916 to 1918, and Mrs. Kruger returned last week from a trip north where they visited friends and

relatives at Eugene, Corvallis and Portland. While away they attended the Gill Stadium dedication at Corvallis, observing the Golden Jubilee of basketball at Oregon State College.

Mr. Kruger met many of his old team-mates and friends, including Gov. McKay who was his class and student-body president.

Mr. Kruger said that he was moer than glad to get back to Brookings, although the trip was enjoyable.

Scout Fund Raised In Local District

A fund for the district council of the Boy Scouts was raised in this area by a group of business men. This fund is to be used to pay expenses of professional directors of the district. These men guide local committees in scouting work and problems.

Result of the local drive raised about \$350. High men in the solicitation was Mickey Gould, and Bob Dimmick, Archie Hendricks and Don Craig high among the leaders.

John Ginther has accepted the post of scoutmaster of the local explorer troop. This is made up of boys in advanced scouting.

Mike Page, local committee-man, urges all boys of the area who are interested in scouting to come to the meetings which are held every Monday night at the Odd Fellows hall.

County Fair Board Plans For '51 Fair

GOLD BEACH—Curry County fair board held its regular meeting last week with full board in attendance. The meeting was presided over by Leo Lucas of Brookings, chairman; Illie Ferguson, Gold Beach; C. E. Brooks and Kenneth Thompson of Langlois.

Kenneth Thompson, manager, reported on his attendance of fair managers and directors at Portland. Dates for the 1951 fair were set by the state fair association for August 31, Sept. 1 and 2. The final decision to make a major change in the entertainment program this year was dis-

cussed and voted to discontinue a rodeo, and substituting a professional dog and pony show with acrobats.

The program will include horse racing as before, with the show being held in the evenings. The board expects to add several calf scrambles and will increase the prize money on community booth exhibits. The board has adopted the Danish system of scoring.

Mrs. Caroline Oliphant, secretary for the past two years, resigned and Mrs. Gladys Trivett will take her place. Some revisions of the fair book are being made and the book will be in the hands of the exhibitors at an early date this year.

HEMORRHOIDS (PILES)

HEMORRHOIDS CAN BE PAINLESSLY OBLITERATED. NO HOSPITALIZATION OR DETENTION FROM NORMAL ACTIVITIES!
NO ANETHESIA. NO COSTLY PROCEDUES!!!!!!

Dr. Clark's work has been a boon to those suffering with rectal disorders, and has proven in thousands of cases his efficiency in successfully handling the most stubborn cases of piles, attested to by many patients.

"Complete satisfaction to the patient has been the proving points as to the merit, and his method used, eliminating unnecessary and costly procedures. His work has proven equal, and in many cases superior to, ambulant methods offered in the eastern clinics, which places him in the top ranks of the successful practitioners of the state. His college activities as clinician and instructor, along with his private practice, has given him experience that could be envied—hence the success of his method, which has been perfected over a period of years, proving there is 'no substitute for experience.' If you are troubled with hemorrhoids (piles), the opportunity is presenting itself to you now to have them properly cared for without cutting."

Fill in the form below and mail it today if you desire this service. Doing so now will assist us in making specific appointments. Don't neglect even a "simple case of piles". It can become untreatable, several of which have been found in his practice.

Vital statistics of the state show that 13,833 died of cancer in 1947. Of this number, 753 died of ano-rectal cancer, which means that one person out of twenty had cancer of the rectum. YOU DON'T HAVE TO BE ONE OF THEM. Neglect can be costly.
