WHERE IS OUR UNITY HEADED?

What, if you may ask, do these promiscuous strikes over the country mean? What is the master plan behind the railroads, the strike of the bus depot employees at Portland. There seems to be no particular wage dispute. *What, can you tell, will be the outcome and where will these troubles lead this nation in its unit?*

There have been no Greyhound buses directly from Portland for more than two weeks, and no hope is being held when the Portland dispute will be settled. In the railroad strike, authorities are unable to cope with the general attitudes of workmen. Not knowing this, mediators cannot work out any solution, when none is apparently demanded by the switchmen.

Such action fit nicely in the scheme of the Soviets in their attempt to gain world domination. Do you suppose these so-called labor disputes emanate from there?

The library will be open to the public in its temporary quarters

at the VFW hall, as soon as a new entrance is completed. Materials and labor are donated. It is hoped that a small plot of land or building may be found, centrally located, and reasonably priced that may be bought for a permanent home. There is a sum of \$252 in the building fund at present. Proceeds of the carnival and personal donations have accumulated this. This worthy project needs more support from the community. Mrs. Guy Rice is chairman of the board and Mrs. Chas. Schaal, secretary, and Dorothy Brainard, librarian.
