

Donkey Basketball Amuses Fans, Thur.

"A little foolishness now and then . . ." which certainly was supplied by the donkey basketball game last Thursday evening at the high school gym, rocked the populace with mirth beyond expectations.

Stanley Patterson who may be classed as supreme back of the meat block at Dimmick's market was just an object of ridicule in his role Thursday night. John L. Mumbower had several contacts with the floor in his hectic rush to lay hands on the ball. Leo Lucas knows, also, how to measure density of a wood floor.

Lumber tycoons, such as Henry Kerr, were ordinary players to the "mule skinner," a group of untiring high school boys.

Exhausted beyond recuperation at the quarter a new crop of men were substituted second, and these two groups managed to match basket for basket with the high school boys.

Following intermission, when a third group was run on the floor, the boys began pulling away as the men became more and more football inclined, instead of being wrapped up in hitting the hoop for scores. The boys won by a score of 26 to 14, after the half had ended 12 to 12.

Given half the gate receipts after federal tax had been paid, the high school student body fund became richer by about \$90.

Attends Sister's Golden Wedding

Mrs. C. W. Dam left Thursday for Missoula, Mont., where she will, February 17, attend the golden wedding anniversary of her sister, Mrs. Frank (Grace) Jones. Mrs. Dam expects to remain in the Montana city for a month.

Mrs. Dam, it is said, was hampered, while in Washington, by inclement weather, however, did not arrive late for the affair.

Ramrods Scuttle Denney Logging Co.

Displaying teamwork little shy of professional or collegiate in class The Ramrods, sponsored by Chetco Rod & Gun Club, scuttled the Denney Logging Co. of Smith River, last Thursday night by

the score of 59 to 34. After the first four minutes it was never a question of who might be the winner, when Felipe, Barrett and Astin score almost at will, and in the meantime stopping the big guns of Denney Logging Co.

New Kitchen Being Built At Nook Cafe

Under direction of Blaine Gribble, local builder, work at the Nook Cafe is rapidly advancing as late last week an "L" was added to the rear of the building to enlarge the kitchen, and to increase the storage room.

The "walk-in" cooler will be moved back to the place occupied by the old kitchen, with the new kitchen being moved forward to shorten the steps to be taken by waiters.

In addition to these improvements, the interior is to be completely changed, with knotty pine paneling being used generously to re-decorate the interior.

The cafe will be closed about a month for this work.

With The Churches

Christian Scientist

Services Sunday at 11:00 a. m. "Soul" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 18.

The Golden Text is "Truly my Soul Waiteth upon God: from him cometh my salvation" (Ps. 62:1).

Among citations which comprise the Lesson-Sermon is the following from the Bible: "Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty" (Ps. 104:1), together with the following correlative passage from the Christian Science textbook: "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As used in Christian Science, 'Soul' is properly the synonym of Spirit, or God, but out of science, soul is identical with sense, with material sensation." (page 482).

Seventh-Day Adventist

Sabbath School — Saturday at 9:45 a. m.

Next Sabbath Elder VanDolson will speak on the subject "The Lamb who Became a Shepherd." We invite our friends and neighbors to hear this sermon.

Wednesday night at 7:00 teach-

ers' meeting, followed at 8 by prayer meeting which Elder VanDolson will lead. His subject: "The First and Second Advent of the Holy Spirit." This is the last opportunity Elder VanDolson will have to meet with this church in capacity of a prayer meeting and he wishes that all who possibly can might attend prayer service this week.

LOCAL NEWS

Bruce Yohe, district representative for United States Chamber of Commerce, of Eugene, visited in this area from Wednesday until Friday and returned the first of the week to continue his work here until completed. In advancing the program of the United States Chamber of Commerce, Mr. Yohe is obtaining a list of subscribers to "Nation's Business," publication of the organization.

Bob Gray owner-manager of Radio Station KCRE, Crescent City, and his secretary, Miss Burke, were business callers in this area Friday evening.

Mrs. Doris Ackley went by airplane to Kittanning, Pa., last week to visit her mother, who has been hospitalized for three weeks from accidental burns on her body below the waist. Mrs. Ackley will also visit an aunt and her grandmother.

Mrs. Etta Crantford, mother of Mrs. Virgil Goldsberry and Roy Sunderland, returned to Portland Monday night after spending two months in this area.

Mr. and Mrs. Gene Haviland

of Portland called at the A. P. Hendricks place of business on their way home from the Furniture Mart, at San Francisco, on Monday.

Mr. and Mrs. Archie Hendricks and daughters, Pauline and Nancy and Fay Rausch, returned on Saturday from San Francisco. They had been held up at Garberville for 26 hours on the way to San Francisco because of bad road conditions.

F. W. Martin, who had been laid up for some time with a siege of pneumonia, is still confined to his home but is reported to be improving.

HEMORRHOIDS (PILES)

HEMORRHOIDS CAN BE PAINLESSLY OBLITERATED. NO HOSPITALIZATION OR DETENTION FROM NORMAL ACTIVITIES!

NO ANESTHESIA. NO COSTLY PROCEDURES!!!!!!

Dr. Clark's work has been a boon to those suffering with rectal disorders, and has proven in thousands of cases his efficiency in successfully handling the most stubborn cases of piles, attested to by many patients.

"Complete satisfaction to the patent has been the proving points as to the merit, and his method used, eliminating unnecessary and costly procedures. His work has proven equal, and in many cases superior to, ambulant methods offered in the eastern clinics, which places him in the top ranks of the successful practitioners of the state. His college activities as clinician and instructor, along with his private practice, has given him experience that could be envied—hence the success of his method, which has been perfected over a period of years, proving there is 'no substitute for experience.' If you are troubled with hemorrhoids (piles), the opportunity is presenting itself to you now to have them properly cared for without cutting."

Fill in the form below and mail it today if you desire this service. Doing so now will assist us in making specific appointments. Don't neglect even a "simple case of piles". It can become untreatable, several of which have been found in his practice.

Vital statistics of the state show that 13,833 died of cancer in 1947. Of this number, 753 died of ano-rectal cancer, which means that one person out of twenty had cancer of the rectum. YOU DON'T HAVE TO BE ONE OF THEM. Neglect can be costly.

I am interested and do have rectal trouble.....Send literature..... or
