

Chetco Grange Met Last Friday

Regular meeting of Chetco Grange was held Friday evening with pot luck chili feed enjoyed before the meeting. During the meeting Harvey Elmore was obligated in the third and fourth degrees.

Ellen Jagers, chairman of the home economics committee for 1950, presented the Grange with the United Nations' flag which she had made as part of the work of the committee during the year, and much favorable comment was heard after inspection of the flag, which will be mounted for use when desired.

John Peffley, former master of Jackson County Pomona Grange, held an instruction period on different parts of the floor work. The lecturer, Hazel Hendry, presented an interesting program, with the "Baby Show" being enjoyed by everyone.

Assistance Raised By Welfare Group

GOLD BEACH — All Curry county assistance recipients will receive an increase in their March assistance payments as result of recent action by the Curry County Public Welfare Commission in approving food allowance increases throughout the county, according to H. D. Olney, administrator.

This action taken immediately upon receipt of notice from the state public welfare commission that the counties had been authorized to take such action. The decision to increase the food allowance was made necessary by rising food costs as determined by surveys conducted throughout the state by the state public welfare commission, Olney said. The food allowance increase as authorized by the state public welfare commission, amounts to approximately 10 per cent.

GOLD BEACH

Mineralogical Society Met

Curry County Mineralogical Society held its February meeting on Lincoln's birthday, at which time the following were inducted as new members: Mrs. Mary Wilkinson, and Mrs. M. Christian, both of Brookings; Morrie and Denny Graves and Mrs. Gertrude Frank of Gold Beach. Visitors present were Ann Koehn, Iona Quigley and Shirley Chadsey, and children. The major portion of the meeting was given to circulation of the semi-precious stones which the members are contributing to the Society's display cases which soon will be shown in Gold Beach stores. The county court has given permission for placing of a case displaying local minerals in the main hallway of the court house. Mrs. Alma Russell showed several interesting color slides of the stone vessel owned by Ray Zumwalt. The fascinating vessel was re-

cently found some 30 feet underground in the northern part of the county. The pictures are being sent to Dr. Cressman, professor of anthropology at University of Oregon, for his observation. It is hoped that he will be enticed to be speaker at a future meeting of the society.

Last year's program committee, consisting of Mrs. Alma Russell, Mrs. Charles Graham and Mrs. Doug DeVoe, were re-appointed for 1951. Their planning of last year's meetings assures the society of another year of interesting speakers and topics. Anyone who is interested in rock collecting are invited to attend meetings. The dues are \$1.20 a year and the meetings are held on the second Monday of the month with the next on March 12. Come!
