One of our very best buys of the week: a scenic acre and 15x24 substantial house with 20x20 garage attached. Some finishing work needed on the house. Young fruit trees and many unusual shrubs started. Also large strawberry bed and boysenberries. 4 rows of daffodils and 3 200-ft. rows lilies. Other excellent build-sites on the place. Good well, only \$3500 for all this. Terms if desired.

We have a 2-bedroom home, close to school and town at the very reasonable figure of \$4500. Modern.

Here is that well-built attractive partially finished home just placed on the market and ready for your inspection. Large combination living and dining room, 2 bedrooms, bath, utility room. Large artistic fireplace, fire-proof chimney in kitchen. Cedar shingles on roof. Excellent supply of well water. Not too far from town. Well worth the selling price of \$10,500, with terms if desired.

A modern house and 3 1/4 acres on the ocean. Shower, utility room. Also 2 sheds 30x18 and 12 by 16, with sleeping quarters for guests in one. Good spring on place. Many choice shrubs and bulbs. Let us take you on a tour of inspection.

Wonderfully built hillside home—2 story, commands one of the finest views of ocean and Chetco river. Like new throughout, one of the best in Brookings. Drop in and ask about FHA terms or G. I. Terms.

We have three one-half acre tracts close to school, electricity, city water, good gravel road—elevel at a floor. These can be had at only \$750 each on terms. These are as good a buy as you will find in Brookings and it costs nothing to look.

Still have some fine view property overlooking Harris Park and on Hwy 101. Motel site!

Good Mill Site For Sale North of Brookings on good road, only short haul to highway.

We have several completely finished and modern homes that can be bought on FHA terms.

Mrs. Eugene Ackley, resident of Pioneer Road, flew to San Jose, Calif., Thursday for a visit with her sister.

A number of people from this area attended the grand opening of KCRE at Crescent City last Thursday evening. Many would have gone but illness prevented. KCRE represents another milestone of progress gained by this section, which a few years ago was classed as the last frontier. Bob Gray and his staff were recipients of hundreds of letters, cards and telegrams of congratulations, some of which were read over the air. Erection of this station has taken more than a year, often held back from announcing its opening due to red tape connected with the Federal Communications Commission.

C. A. Dimond, one of the owners of Paper Mills Agency of Oregon, who regularly calls on printers over the state, was a visitor here Sunday. Mrs. Dimond, a great enthusiast for the coastal region, was missing on this trip, as she recently underwent a serious surgical operation.
