

Chetco Library Is Opened To Public

The re-opening of the Chetco Community Library last Friday afternoon was attended by many local people, and about \$25 was realized from the silver tea, towards the building fund of a new home. A local gentleman, who remains anonymous also gave a generous donation to buy new books.

The library is situated in a room at the VFW hall, which has been made available to the library board, and will be open on Tuesday and Friday afternoons, Mrs. Jessie Judkins being in charge on Tuesday and Mrs. Dolly Brainard on Fridays.

Nearly 200 books were taken out Friday afternoon.

The library board wishes to especially thank the VFW for donating the use of the hall for the silver tea, and the auxiliary members who helped during the afternoon: Mrs. Harriett Baker, Mrs. Edith Hynes, and Mrs. G. Zirbel. The tea was in charge of Mrs. Grace Edwardson and Mrs. Emma Waldien of the Harbor Community Club, sponsors of the library.

Penney Co. Will Give 4-H Award

GOLD BEACH—Word has just been received at the county extension office from Earnest Kunz,

manager of the J. C. Penney & Co. store at Coquille, that they will award a 4-H summer school scholarship to some boy or girl in Curry county this year.

This scholarship will be awarded to some Curry County member by the scholarship committee on the basis of their leadership and program in 4-H club activities according to Clifford Jenkins, county agent.

Baptismal Set For Sunday Evening

On Palm Sunday evening, a baptismal service will be held at the Baptist Community church for the many new converts who have recently joined the church. This will be a prelude to the Easter Service to follow.

On Good Friday, March 23, there will be a Good Friday service at the church at 8:00 p. m. Theme for this service will be: "The Seven Last Words of Christ."

On Easter Sunday morning the Sunday school will present a special Easter program and regular Easter service will be held at 11 a. m. At 8 p. m. the choir will present an Easter Cantata at the church.

Those with no church home in the area are invited to attend any or all these services.

Mrs. Glen Zirbel and Mrs. Von Seidletz went to Gold Beach on Wednesday, on business.

That SNOOPY Home-maker

There seems to be a certain amount of secrecy connected with the fourth annual Fashion show to be sponsored by the Satellite social club at the high school gym, Saturday evening, March 17. Even Snoopy Home-makers cannot see.

Just what the models, everyone knows, will wear is not for print as yet, but so much is for certain: the Easter wardrobe will be shown as well as sports-wear, suits and coats for ladies, men and girls, and dresses and also childrens wear.

You will want to see these girls made more beautiful by hair arranged by Mrs. KATHERINE SANDSTROM, assisted by Norma Felipe and wearing garments from MOORE'S VARIETY & APPAREL SHOP. Shoes, suitable for the occasion and garment worn as well as color of the entire costume considered will be from GOULD'S SHOE STORE. Modeling will be Charlotte Simpson, Carol Fallert, Elaine LeClair, LaVerne Landauer, "Sissy" Sanders, Harriett Baker, Margaret Anderson, Nova Strike, Carol Ann Benson, Mary McMann, Donna Stotenberg, Betty Nelson, Irene Kaiser, Ersa Fisher, and Marie Hoar.

The little girls will be Jeanne March and Linda Lee Ray.

Earl Parker will display fishing and rainwear; JoAnne and brother, Vernon Lee Pettigrew, will model jeans and Levis with the newest in work clothes. Little Mervin Pettigrew and Terry Hanscam will show what the "small fry" like.

Parents will like them, too, because of the durability of the garments as well as the bright color combinations that are assured to be fast. Those just mentioned are in case you haven't guessed it, are modeling garments for HANSCAMS.

If YOUNG'S 5 & 10 decide to keep a secret they really do because no amount of prodding would give any real light on what they will have in fashion revue. Four of Brookings fair young ladies will be modeling for them—of this there is assurance. How fair they look after Mr. and Mrs. YOUNG get them "decked out" remains to be seen.

Some really new ideas for beach togs, sweaters, slacks, jeans, dress-up slacks, jackets and sports coats will be shown by PHILLIP'S CLOTHING. Modeling for them will be: Mary Lou Berger, Shirley Hall, Marjorie Freeman, Beverly Hill, Richard Campbell and Dick Newman. The younger men will be represented by Bobby and Tommy Berger and Errol Spangler.

All during the show background music will be played by Mrs. Putnam at the organ, as well as at the dance at the VFW hall, following the fashion show. The Satellite club is giving away a toaster with jam set as door prize at the show. Other prizes will be given away at the dance by the Boy Scouts.

Bob and Alice Perkins have a real part in the show. Bob will do some introducing and has up his sleeve some really good tricks in the form of musical numbers which will be accompanied by Mrs. Putnam on the organ.

What promises to be a really entertaining, as well as informative, evening can be "topped off" with food at the VFW hall. For fashions and fun, come as you are, urge members, or if you wish—you may wear your formals.

Sunny weather of the past few days has changed the feelings of many who had been ill previously. Most everyone reports they feel fine under present conditions.
