FINE STATIONERY
That Has 'Distinction'!

What would be more attractive for lettersheads for any business than to have a picture of the store front in the upper left-hand corner, with color to make them attractive? This process is done by photo-lithography, for which we are prepared to serve to customers who have ideas about their stationery that is distinctive. Phone us for further particulars. These pictures will add dollars to the appeal of your correspondence, at any time. They are surprisingly inexpensive to obtain.

For the best in any kind of printing, call either **TYPO-PRINT**, Gold Beach, Phone 984, or **Pilot**, Phone 283, Brookings. A representative will call on you to show samples.
