FINE STATIONERY

That Has 'Distinction'!

What would be more attractive for lettersheads for any business than to have a picture of the store front in the upper left-hand corner, with color to make them attractive? This process is done by photo-lithography, for which we are prepared to serve to customers who have ideas about their stationery that is distinctive.

For the best in any kind of printing, call either TYPO-PRINT, Gold Beach, Phone 984, or Pilot, Phone 283, Brookings. A representative will call on ou to show samples
