

That SNOOPY Home-maker

Snooping off her regular path, that Snoopy Home-maker discovers HENDRICKS FURNITURE STORE—now Curry and Del Norte Counties' largest furniture store—is making final plans for an "OPEN HOUSE of their enlarged store on March 30, from 1 to 9 p. m.

Mr. Hendricks was in Portland earlier this week making last-minute purchases for the occasion. And it will be an occasion! Fifteen door prizes! The grand prize is a Perfect Sleeper mattress worth \$69.50. A full list of the prizes and details will be in next week's paper. Watch for it! And plan to go in. See how you can completely furnish your home at HENDRICKS FURNITURE STORE for a reasonable sum.

Have you noticed the new household department at the BROOKINGS MARKET? Most of the home-makers needs can now be supplied at this one-stop market.

To tell you of all the different items in this new department would take some time but a few can be touched upon. Oven-ex, a new baking metal is found in various sizes and shape cake, and muffin pans. Three sizes of baking sheets are 39c, 45c and 59c. Dish drainers with Vinyl plastic coating in red, yellow, and white are \$1.25.

If you are interested in making angel food or sponge cakes of any kind you will be glad to know these aluminum pans sell for 98c. And should your oven not have a temperature control or thermometer, you may purchase an inexpensive oven thermometer at DIMMICKS for 35c. Those that make angel food cakes say correct baking is half of the success of the cake.

To make up your products you will find all the utensils from spoons, spatulas, strainers, beat-

ers, to Lustro-ware canister sets and cookie jars and cake boxes in colors to store the finished food and to dress up the kitchen.

Removing of ice cubes will be hurried up definitely if you have the modern ice cube tray in Iceflex. By arching the tray the cubes pop out. The trays stack instead of nesting. They are 59c.

There isn't much space left to tell you about the many drugs you'll find in this department, the dyes, nor the school supplies and the stationery but you'll want to see for yourself. You'll be amazed.

Hot Cross Buns will be featured at WILLIAMSON'S BAKERY this week as they have been on other years at the Easter season. They are golden brown with the white cross marked in icing, 50c per dozen.

If you are rushed for time or want a change or vacation from baking, go into the local bakery to see the mouth-watering good baked cookies, rolls, cakes and pies. Present mother or help-mate with a pretty decorated cake for Easter. No other table decoration will be needed if it is centered by one of Mrs. Williamson's decorated cakes.

Clever as usual was the skit, given as a part of the fashion show last week when shoes were featured by GOULD'S SHOE STORE.

If it hadn't been for Bob's inside remarks as the models passed in revue, behind a half screen that showed only the feet and ankles, Leonard Harvey might not have been so good at determining who was wearing this and that, although it has been rumored about town that Leonard really is a fancier of nice shoes.

Card of Thanks

We wish to express our thanks to the members of the fire department and other neighbors for their prompt and efficient assistance and especially to Arthur Olson for summoning help so quickly. Chas. & Agda Bickner

Dorothy Lockland 'Woman of Week' On Radio Program

Mrs. Dorothy Lockland on her return to Brookings praises "To You My Lady" Hour program over KCRE, Crescent City, of which she was honored guest on Tuesday afternoon at the Mecca Theatre. Mrs. Crawford, originator and mistress of ceremonies was assisted by Robert Gray, who conducts this program each Tuesday, sponsored by Dr. Crawford.

Mrs. Lockland had nothing but nice things to tell of her friendly experience over KCRE, made so by the friendly atmosphere of everyone connected with the broadcast.

She was showered with gifts and flowers from the Crescent City merchants and a large bouquet of red roses from Brookings business men, presented by Mrs. Jeri Funari.

After the program, the decorated cake given her was enjoyed at the KCRE station during the Brookings hour. Mrs. Aldene Aho, Miss Rose Baumgarten, Mrs. Crawford and Mrs. Lockland joined Mrs. Jeri Funari at the station where they chatted over the air.

This is the third lady to be saluted on this program. Mrs. Lockland feels this was a friendly gesture to Brookings.

"Write to the station telling them how you enjoy the programs and give suggestions if you wish, is their desire. They would like to dedicate musical numbers to members of your families or to friends, if you drop a card.

"If you feel some one from this community who you would like to have saluted, is eligible, write her qualifications in a letter to "To You My Lady" hour. The three letters selected are read during the program and next week's lady is chosen by applause. No admission is charged by the theatre for the broadcasts. Support

your candidate and enjoy yourself. A door prize is given."
