

### Dr. White's Clinic Being Constructed

The clinic and emergency hospital, being built by Dr. Roy M. White west of Goetz Cottages, is progressing rapidly, with concrete poured Wednesday. About 14 rooms will be available for offices, consultation, treatment and reception rooms, as well as private rooms for patients. This will fill a long-felt service in this area.

Dr. White reports the birth of Rosanna Marvina, 6 lbs, 10 oz. daughter to Mr. and Mrs. Marvin Lee of Hunters Creek, Thursday, March 29.

### Baseball Bleachers Almost Completed

The proposed bleachers for the high school field became a reality last week-end when an energetic crew of carpenters and helpers under leadership of Jim Fifield went to work and put up three sections of stands and also erected the framework for the new backstop.

As previously reported Ross Putnam donated the logs for the stand, Les Miller cut the lumber at his mill and the Westwood Co. planing mill did the surfacing.

Other lumber for the backstop was donated by Brimm Bros. and West Coast Lumber Co. Nails were furnished by Chetco Home & Auto Supply and Gordon Goetz. Wire netting for the backstop, which is expected to reach here this week, will be furnished by E. E. Hanscam & Sons free of charge.

Workers on hand last Saturday and Sunday and who donated their time are: Jim Fifield, Clyde Braynard, Sid Clendenin, John Hall, Earl Dodge, Gordon Goetz, Blaine Gribble, Les Miller, Joe Lesmeister, Hub Dixon Ross Putnam, Harold Putnam, Whitey Matson, Tony Christensen, Herb Payne, Claude Wright, Sid Luce, Don Courtier and Jack Tungate.

Some of the workers plan to be back on the job next week-end to put finishing touches to the bleachers and erect a "press box" directly behind the middle section of the stands. An effort will also be made to paint the new installation.

Pete Lesmeister, business manager of the Pelicans, wishes to extend his sincere thanks for all donations of materials, and to all those named for their help on the project.

### Baseball

Due to additional work planned on the bleachers, backstop and diamond at the high school field this coming Sunday, Whitey Matson, who will again manage the Pelicans in the Southern Oregon League, will not call the first practice until Sunday, April 15.

With Jim Barrett inducted in the army on March 21, and Bob Astin reporting to the Medford Rogues training camp at Healdsburg, Calif., this week, the only members of last year's club here at present are Whitey Matson and Vernon Hanscam. Others players with the Pels last year and on whom Matson and Lesmeister are counting again are Hank and Bob Westbrook and Connie Holzgang, now at Oregon State and Bill McLean who is in school at Southern Oregon College of Education, Ashland. Unless there is some new available talent in the area, additional outside help will have to be brought in. Manager Matson therefore asks that any new players contact him or Business Manager Lesmeister.

With practice starting April 15, there will be four weeks of practice before the league opening at Grants Pass on May 13.
