A group of Brookings Chamber of Commerce members, including Tony Christensen, Gordon Goetz, Ross Putnam, Joe Jacobs, Roy Weideman and Mr. and Mrs. Elmer Parke, president and secretary, were guests Monday noon of Del Norte chamber of commerce at Hotel Lauff, Crescent City, at which time Parker presented the Del Norte group a myrtlewood gavel as token of esteem and co-operation between the two bodies.

Harbor Womens Club Met April 27

At the April meeting of Harbor Womens Club, April 27, two new members, Mrs. Elsa Raveks and Mrs. Minnie Lantz, were taken into the club.

A discussion on the damage done by stray cattle was held, and it was decided to contact the county officials to see what can be done about getting the herd law re-enacted in Curry county.

The library board reported on the library, and more childrens books are needed to fill the number of requests for this type of book. If anyone in the community has childrens books, up and through high school age, please donate them to the library, as children eagerly look for these. Children are the greatest patrons of the library. Of 324 books taken out in March, 180 were by children, and 144 by adults.

It may be possible to open the library two nights a month for benefit of those who cannot get there during the daytime. The present hours are from two to five on Tuesdays and Fridays.

It was decided to hold a food sale at Dimmicks Market, May 26, to raise funds for the club. Clara Hyland and Hanna Travis were in charge of the recreation hour, and conducted several enjoyable games. Refreshments were served by Viola Hanscam, Hannah Travis and Kathryn Reekman.

Clark Schley Will Receive Diploma

An invitation was received by the Pilot last week from Clark Schley, now at Yokohama, Japan, telling of his forthcoming graduation, May 31, at the American school of that place. A son of Mrs. Ersa Fisher, Clark finished his sophomore year in the local schools, before going to Japan to live with an uncle and aunt, in the occupation forces.

In a foot-note, Clark asked about his old friends, and said he'd like to come back to Oregon—soon. While here he was active in 4-H work.
