

Poppies Will Be On Sale Fri., May 25

At this moment, an American soldier is risking his life and limb in Korea that you may have security at home. Honor his fallen comrades together with World War dead by wearing an American Legion poppy on Poppy day next Saturday. Made by disabled veterans, these memorial poppies, pinned to your lapel, are the most expressive thanks you can give.

Poppy day is generally observed throughout the nation on the Saturday before Memorial day by wearing memorial poppies as honor of war dead. The idea of the poppy as a memorial flower for world war dead was inspired by the blooming wild poppies "between the crosses row on row" in the battle cemeteries of World War I. The idea spread spontaneously throughout the entire English-speaking world.

The poppies which are worn in the United States are crepe paper replicas of the wild European poppies, made by veterans in hospitals and convalescent workrooms throughout the nation.

Doctors in veterans hospitals consider poppy-making a valuable form of occupational therapy. The psychological effect of having work to do, and being paid for it, rebuilds patients' pride and self respect. Their wages, paid by the American Legion Auxiliary, will approximate one-half Million dollars this year.

Poppies will be on sale here Friday and Saturday.

Along Azalea Row

By B. Miller

Artists exhibiting this year at Azalea Garden Club art show will be Sidney Armer, Pernot Duff and M. Power Starks. Undoubtedly there will be others not registered as this paper goes to press.

Mr. and Mrs. Sidney Armer are not able to be present themselves, but Mr. Armer is sending

ricent work. Mr. and Mrs. Duff will be at the show Sunday afternoon. An artist new to this community is Mrs. L. T. Starks of Crescent City. M. Power Starks is a former resident of Boise, Idaho and John Day. She is self-taught, and paints landscapes.

Many of the pictures on display in the art collection may be purchased. This gives the community an opportunity to buy original paintings. Sidney Armer's flower pictures are justly famous and hang in homes of discriminating art connoisseurs. Pernot Duff's seascapes and landscapes are of scenes about Brookings and Harbor. She not only paints well but has a following here. M. Power Starks' scenes are of Idaho and the John Day country and will arouse nostalgic feelings in the folks from over the hills.

Azalea Garden Club Flower Show promises to be unusually interesting. The merchants are co-operating with window arrangements, some even coming to the committee and requesting decorations. The town is full of enthusiasm. Young's 5 & 10 will display the ring which one of the girls of the Azalea Ring, the honor guard for the queen, will win for her very own.

Five Taken Into Rotary Club, Tues.

George Milford, member of Red Bluff, Calif., Rotary Club, and a frequent visitor of the local club, gave the induction talk to five new Rotary members at Tuesday luncheon, giving them a Rotary background as charge of their future membership.

Earl Brewer, who, until he moved to Brookings at the time he purchased Seaview Dairy, was president of Myrtle Point club; Bob Dimmick, former member of Hayward, Calif., club; Carl Mason, Edwin Sund and Joseph Taylor, were obligated to membership.

Wesley Sibley and S. O. Newhouse of Gold Beach and two men of the Bay area were guests at the luncheon.

The "pig" which held fines of members was "butchered" and the \$75 contents were turned over to the ambulance fund.

Mr. and Mrs. Lloyd Moss will leave for Atlantic City this week to attend Rotary International convention.

Hearthstone To Close

In order to do painting and other alterations, C. A. MacKenzie will close his popular Hearthstone for a month, beginning on Monday, he told the Pilot early this week. Just what alterations he plans, Mr. MacKenzie did not reveal, but he said he wanted to do some work on his business.

Special Program Set Sunday Evening

There will be a special program Sunday evening at Baptist Community church for the World-wide Guild Girls. This is an organization of young women from ages of 12 to 18 who unite their efforts in Christian work, worship and fellowship.

As the name indicates, they are world-wide and their purpose is to spread Christianity and love, and friendliness, the world over.

This group has been formed in recent months and the adults sponsoring the group are Mrs. R. D. Rowley and Mrs. Henry Kerr. These girls have taken up missionary studies and are pri-
