## Fifth Annual Event Booked For 1:00 P. M.; Game Later

Fifth annual Lily Blossom Time and Parade has been set for one P. M., Sunday, probably to start at the new Mobil Station on the highway, and will eventually end near Azalea Park.

Floats will assembled on the streets in the vicinity of Brookings Garage and Fox Bros. depot, for assignment of places in the parade. All should be on the site well in advance of starting time.

The Rotary float will carry the Queen and her Court. Bands, of several nearby towns, will be interspersed among the floats to give length to the spectacle.

Growers have assured those of the area who wish to build floats that all the lilies they wish will be available for the trip to the fields.

## Baseball Game To Follow 'Parade'

Immediately following the parade, a baseball game, between North Bend and Brookings, will be played at the local high school field. Brookings and North bend have not met before this year, but dopesters claim the two are evenly matched, insuring a real game.

A dance has been set for Saturday evening, July 7, at Chetco Grange, opening the 1951 Lily Blossom time.
