Rotary Club Seats New Officers, Tue.

Warren Smith was seated as fifth president of Brookings Rotary club, Tuesday evening at a ladies night program at Chetco Inn, with a packed house present to enjoy the chicken dinner and program.

Before turning over the gavel and president's pin to his successor, immediate past president, Lloyd Moss reviewed his year with the Brookings club, told of the club achievements, and how he appreciated the co-operation given him.

Foremost, according to Moss' talk, was the purchase of the new ambulance, and how each of the club had done his part; of the scholarships to the 4-H club summer school and how these youth had shown their appreciation to the club.

In accepting the gavel, Warren Smith briefly outlined his year's program, and asked for co-operation, and told of the first act he had undertaken, in inviting the Canadian band here for next Monday. "This was done quickly because it had to be, so I did not have time to call a board meeting, or submit the question to the club."

The Harmonettes sang several numbers and a travalogue picture was shown for the entertainment.
