

LANGLOIS

Monday evening, July 23, Kenneth Thompson, fair board manager and C. H. Brooks, director, attended the monthly meeting of Curry County Fair Board, at Gold Beach. Final plans are being made for the fair which is set for Aug. 31, Sept. 1 and 2.

Among those present at the meeting was Myrtle Chadsey, the chairman of the hobby and antique committee. She asked that more people bring their hobbies and antiques to be displayed in the booth. There are many objects of interest in the county which the public would enjoy.

Another meeting of the board is set for Aug. 20. Anyone interested is welcome.

A group of girl scouts, under leadership of Mrs. Archie Aldropp and Mrs. Glen Kerber enjoyed a camping trip up Floras Creek Thursday evening and stayed until Friday evening. They cooked their evening meal and breakfast and had watermelon feed. Thursday evening they enjoyed an amateur hour. Friday, swimming and hiking were the order of the day. Only casualties were a few bee stings. Making the trip were Patsy Bruchler, Delores Bruchler, Donna Longanecher, Marily Neff, Jeanette Thompson, Joan Cox, Velma Ann White, Arlene Kerber, Thelma Kerber, Mildred Robbins and a visitor, Laura Jean Layton.

The residence of Mr. and Mrs. Ralph Vincent has been purchased by Mrs. Mabel Stonehouse, whose home adjoins the property.

TO THE USERS OF SERVICE OF WEST COAST TELEPHONE COMPANY

Telephone communication is a vital service necessary in our everyday lives. That is why supervisory and many regular employees are working long hours during this emergency, so that you may *Call a Doctor, Report a Fire, or Call the Police*, to say nothing of the many other necessary uses you have for your telephone.

We cannot help but feel that the strike now in effect is the result of lack of understanding. The Wage Stabilization Board has ruled that no increase in wages, amounting to more than 10 per cent of those in effect in January, 1950, may be put into effect without their authority. The cost of living, according to the Bureau of Labor Statistics Index, has increased 10.2 per cent over January 15, 1950. *The Increase in Wages We Have Offered* will average 12.3 per cent over those in effect in January, 1950. (Anything over 10 per cent must be approved by the Wage Stabilization Board. Unauthorized payment of wage increases in excess of this amount is subject to severe penalty).

Under these circumstances and coupled with the fact that wages paid our employees compare favorably with those paid for similar jobs in the Northwest, we believe our offer to be more than fair.

What Do You, Who Ultimately Pay the Bill, Think?

Every effort is being made to maintain your telephone service. Your forbearance is requested until normalcy is established. A note of encouragement to those fine people who are laboring to keep vital service for your welfare will be appreciated.
