Our new minister, Brother Manson Metcalf, spoke at the morning services on the "Race of Life." He compared our Christian life to that of which the Apostle Paul spoke in referring to the Athenian races. The ones competing spend sometimes years in preparing for the race. Some drop during the race, the endurance is too great. Only one can win during the race. But not so in the Christian goal. We, too, must give our all to win the race. We are living in serious times, the last hours of this world—the hour of God's judgment. In the days of Noah, so shall it be in the last days.
