

## Message to Inspire Christian Unity

We make it our aim to further a movement, comprising churches and individuals, for a complete return to Christianity as it was at the beginning.

Hence, WE STAND:

1. For the Bible as the all-sufficient standard of faith and practice, recognizing that what God required from His ancient people, Israel, is found in the Old Testament scriptures, and what He requires from all now is contained in the New Testament scriptures.

2. For the union of all believers on the New Testament basis. Our Lord prayed that "they all might be one . . . that the world may believe." This prayer makes the union of His people essential to the salvation of the world, and only be answered when there is a return to the faith, ordinances and order of the Church of the Apostolic age.

3. For the rejection of all HUMAN creeds, confession of faith, doctrines, and commandments, and the acceptance of the Divinely-revealed creed, "Thou art the Christ, the Son of the Living God," believing that a real heart-grip of that, with all it implies, will lead to a complete surrender of life and will to Him.

4. For the ordinances as delivered by the Lord, and kept by the first Christians. The scriptures clearly show that baptism was the immersion of a penitent believer into the name of Jesus Christ, in order to the remission of past sins. The Lord's Table, on which the Lord's Supper is spread is inside the Lord's church, and is for the Lord's people, to

be partaken of on the first day of the week. This divinely-ordained memorial of His death for us is to be kept by the church until He shall come again.

5. For the ministry of all the church—every member in different spheres, doing that for which they are fitted, limited by ability to edify the church.

6. For the support of the church by the church only. Only those who have obeyed the Gospel have the duty and privilege of contributing to its treasury.

7. For the abandonment of all sectarian names and ecclesiastical titles, and that churches and believers should be called by the names found in the New Testament.

We shall be pleased to answer inquiries, relating to the above, and to put those interested in touch with believers standing for these things.
