DEEP MUD

IS EASY FOR A 'JEEP'

A Universal 'Jeep' is your best assurance of going where you want, when you want! Its 4-wheel-drive traction takes you through deep mud, sand and snow... up steep grades... over roadless country. The 'Jeep' is sturdily built to stand up under the roughest use. Ask us to demonstrate this world-famous, many-purpose vehicle.

 "Christ Jesus" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 2.
 The golden text is, "The Son can do nothing of himself, but what he seeth the Father do" (John 5:19).
 Among the citations which comprise the Lesson-Sermon was the following from the Bible: "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch... and this is his name whereby he shall be called, The Lord Our righteousness" (Jer. 23:5,6), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Those instructed in Christian Science have reached the glorious perception that God is the only author of man" p. 29).
