

SMITH RIVER

The Smith River Women's club held its first regular meeting on Friday afternoon, September 7, at the hall following the summer vacation.

Routine business was taken care of with President Maude Luick presiding. Committee chairmen gave interesting reports as Library, Boy Scouts, Conservation, Girl Scouts, Membership, Well-Baby Clinic and Tuberculosis. The new year book has been finished and given out to club members. The book is very attractive with list of past presidents, officers and committee chairmen for the year; with county and local officers. This book was compiled by Mrs. Frances Brown.

"Matter" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 23.

The Golden Text is, "My flesh and my heart faileth; but God is strengthened of my heart, and my portion for ever" (Ps. 73:26).

Among the citations which comprise the Lesson-Sermon was the following from the Bible: "Set your affection on things above, not on things on the earth" (Col. 3:2), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "That matter is substantial or has life and sensation, is one of the false beliefs of mortals, and exists only in a suppo-sitious mortal consciousness" (p. 278).
