Sixes Juvenile Grange was judged Wednesday evening by Wm. Hanes, Oregon State Grange deputy, on their opening and closing of grange and their floor work. They were awarded a blue ribbon for very meritorious work. Mr. Hanes spoke highly of the

perfect work they did. This is truly a distinction for no blue ribbon was earned last year in this work in the state of Oregon to juvenile granges. Much credit goes to Mrs. Dean Collins, their matron, for the good work done. Sixes grange is fortunate indeed in having so willing and capable a worker to lead the juveniles. She took a group to State Grange in June and chaperoned a large group to state juvenile camp, where they stayed for six days. The Juvenile Grange is growing so rapidly that a new hall in the near future is necessary.
