THE CITY IS BEING WATCHED!

Due to the rapid expansion of industry in this area, attention of the entire country is being focused on this area—especially upon the functioning of the new city council. Proof of this was manifest last Saturday by the inquisitiveness of the Barbershoppers who came to this city for the second annual parade. Questions by the dozen were asked, and about everything.

Most asked question, perhaps, was: "How do you like the two-shift in the schools?" Wasn't exactly easy to answer, since it is too new. However, questioners were assured that the affair was not a matter of choice, but of necessity—could not be helped.

"What are you going to do when the remainder of the families come to work in the new plywood plant?" Of course, that question went unanswered—who could even make a guess? Who would want to try an answer?

"We want to know how you solve your problems in Brookings—we have parallel ones—and your community is the best example of 'growing pains' in the west"

Thus Brookings and its surrounding area is being under scrutiny—watched in every move. It then is wise to watch our own moves—every one.

Langlois High News

Students and faculty of the high school attended a roller skating party at Tanglewood, Bandon, Wednesday evening. A large number of students were present and enjoyed a good time.

The upperclassmen initiated the frosh into high school last Fri-

day. Many outlandish costumes were worn by the freshmen as they paraded the town. After a party Friday night at the high school gym, the freshmen were subjected to more initiation. The frosh this year are Dale Smith, Gerald Phillips, Joe Sabin, Irene and Ethel Sypher, Dorothy Wigle, Dave Barklow, Jack Cox, Jim Nelson, Richard Stinnett, Fred Batt, Fred Robbins, Barbara Medlock and Patsy Brown.

P. T. A. To Meet

The local P. T. A. will meet Oct. 16 at the grade school at 8 p. m. to further plans for raising funds to finance the year's projects. At the last meeting the organization voted to finance a half of the cost of a tape recorder for the grade school and half the cost of a new curtain for the high school stage. Every member who attended last meeting is pledged to bring at least one new member to the October meeting.

The executive board meets Oct. 11 at 8 p. m. at the high school when it will entertain the faculty.

Ten Reasons

Why the Church of Christ is Non-Sectarian—

1. Because it is a divine institution patterned after the New Testament. (Acts 2:38-42).
2. Because the Church of Christ does not go beyond the things which are written. (1 Cor.

- 4:6).
3. Because it was established in the right place—Jerusalem; at the right time—the first Pentecost after Christ's resurrection; and under Jewish leadership guided by the Holy Spirit. (Acts 2).
4. Because it rejects all human names which cause divisions. (1 Cor. 1:12), and wears only scriptural names. (Eph. 3:14-15)
5. Because Jesus purchased it with His own blood. (Acts 20:28)
6. Because Jesus is the glorified head of the church (Col. 1:18) which is His body (Eph. 1:23).
7. Because a divine institution must have a divine creed needing no revision, nor man made. (see Matt. 16:18).

8. Because it has no other officers but those we find in the New Testament—elders and deacons. (Tit. 1:5; 1 Tim 3:8; 19 & 13)
9. Because it insists upon a unity based upon the Bible only. (Eph. 4:1-6).
10. Because it will stand forever. (Dan 2:44).
