Manson Metcalf Rotary Speaker

Manson Metcalf, pastor at the local Seventh-Day Adventist church, was principal speaker at Tuesday Rotary luncheon, taking as his topic: "Peace," for which goal Rotary has long been an exponent.

Quoting scriptures to prove a number of his points, he urged people to think only of the good, walk humbly, and be honest, and that they then would have nothing to fear, for "God promised the world"

"Atomic power, in the hands of the unscrupulous is dangerous—very dangerous. However, man can have hope for nearly all do not want to go to war—want to have peace. If those who wish, would walk humbly, be honest and upright, then the joy of God would spread all over the world to keep us in peace."

Charles Grayshel and Fred Fox became new members, Tuesday.
