HARBOR DISTRICT

Eleven acres with view of ocean and river, just one block off Hwy 101 and 650 feet frontage on Co. road—6 large rooms in exceptionally well constructed home, double garage, new aluminum warehouse 30x76, aluminum barn 20x20, excellent well, also spring for irrigation. Only 1 mile from Brookings and the best piece of property of this type left. Only \$25,000. Full price.

Very nice large 5-room house and one-room guest house, garage and barn, 1 1/4 acres with berries and fruit trees; also large fir trees, 180 feet frontage, has two good wells. Ideal for those who want enough land for privacy or could be cut into three more building sites. Terms can be had but the full price is only \$10,000. In Brookings.

New two-bedroom house in new subdivision, hardwood floors. FHA construction. \$2332 will handle. Very close in.

RANCH

160 acres all fenced and cross-fenced. Ocean frontage, 60 acres saleable timber; 45 acres cultivated. Good large home, large barn; 3 sheds. This is one of the most beautiful spots on the Oregon coast yet it is a practical ranch. \$8000 down.

160 acres logged-off land, small cabin, good spring. \$3500 full price with small down payment.

Trailer park site on Hwy 101 with easy access to the ocean. \$2950 will handle this.

Having the right-of-way at an intersection won't help much after the undertaker takes over.

No man is so stingy he will object to having others share his good opinion of himself.

Life for most of us is a continuous process of getting used to the things we hadn't expected.

It is significant that Communism makes its greatest inroads where ignorance and injustice are in power.

Don't expect too much from the man who talks about what he did instead of what he's doing.

A person doesn't always grow wiser as he grows older, but he certainly grows older as he grows wiser—or does he?

The average man's conception of equality is a state in which he will be considered an important citizen.

It seems odd that so many folks can tell us so much about the future and yet do so little—past or present.

Scientists have done many remarkable things for the world, but have given up trying to explain human nature.

Perhaps Russia would be satisfied if America invited her ambassadors to set as members of the cabinet.

Wealth may not bring true happiness, but there are some folks who would be satisfied with good imitations.

There will be no skeletons in the administration's closet, but the Republicans are finding bones of contention.

Harly a man is now alive who topped the hill at seventy-five.

We have no idea what Sherman would call the sort of war now going on between the United Nations and Red China.

A congressional investigating committee is a body that keeps minutes, wastes hours—and taxpayers' money.

The old narrow trails where two cars could pass without colliding are being replaced with beautiful wide highways on which six or eight cars can collide at one time.

Reformers are super-idealists who believe that the world could be perfect by rectifying a million or so slight faults in humans—which they take the trouble to point out.
