

H. E. Swinney Is 'Potato Grower'

H. E. Swinney, resident of the district near the Earl Dodge farm north of town, came to the Pilot last Friday with some potatoes, which he described as "what non-irrigated soil in this area can do" when he left eight potatoes, aggregating 16 pounds.

These potatoes, of the "Rose" variety evidently, are quite large for potatoes, one weighing three pounds and measuring 9 1/2 inches in length and 5 1/4 in breadth. No circumference measurement are given.

"Ed Hoar needn't think he the 'spud king' of this area," Mr. Swinney said. "Don't question for a moment that Ed knows his potatoes—but look at mine."

Yeltons To Open Record Shop Here

To meet a long-felt need of the community, Jim Yelton plans the opening shortly of a "record" shop in the room adjacent to Southern Curry Realty Company, for a time, until he can build on his property adjacent to Zenier's new building.

Until the Yeltons have their own building, they will handle records, phonographs, and record players, with accessories; sheet music. After moving to the new building hobby crafts will be also added.

Hobby crafts, according to Mr. Yelton, will include models of nearly all kinds for the youth, who go in for that hobby, and a number of other crafts.

Watch for announcement next week.

To Republicans of 17th Legislative Dist.

I respectfully submit my candidacy for State Representative for the 17th Legislative District comprising Coos and Curry counties. I file for this office on the Republican ticket for my party's nomination at the coming May 16 Primary Election.

I am just a country lawyer, one of the so-called "little people." I am one of those who only wants to make a living and support ourselves and our families under fair and reasonable conditions. We, the so-called "little people", do not always get a break when legislation is being considered. If I am in the Legislature and anybody there takes advantage of us it won't be my fault.

With me a law is either good or bad within itself no matter who proposes it. As God gives me the ability to see the right thing to do I shall do the right thing. This I promise you and no person, political clique, organization or pressure group can make me do otherwise.

I believe that I can be of service to you and respectfully ask you for your support.
