

Ellsworth Files For 4th Dist. Candidate

WASHINGTON, D. C. (Special to the Pilot)—Harris Ellsworth, representative in congress from the Fourth Congressional district of Oregon, this week filed with the secretary of state his formal declaration of candidacy for the Republican nomination and reelection.

Congressman Ellsworth, former Roseburg published, has represented Oregon's Fourth District in congress since 1943. The congressman was educated in Oregon public schools and was graduated from University of Oregon in 1922.

Ellsworth has served on several important committees of the house of representatives including Naval Affairs, Public Lands, and four years on the powerful

Interstate and Foreign Commerce Committee. At the beginning of the present 82nd congress he was elevated to the house rules committee. This powerful group controls the flow of legislation to the floor of the house. Ellsworth is also a member of the Republican policy committee of the House.

Late last year Ellsworth was named by the Speaker of the House, Sam Rayburn, to be one of seven House members and seven Senators sent to Europe by Congressional order to take part in a conference with delegates to the Council of Europe at the city of Strasbourg, France.

Bills sponsored by Congressman Ellsworth which became law include forestry legislation, the conversion of the Camp White army hospital into a domiciliary home for veterans, and the opening of O & C grant lands to mineral entry.

Pending legislation introduced by this congress by Ellsworth include a bill to settle jurisdictional dispute concerning the administration of certain forest lands, a bill to correct the evils in the present procedure for hiring and firing government employees, a bill calling for the ratification by the senate of agreements and contracts made with foreign governments, and a bill to authorize appropriations for access roads into government timber lands.

Since congress is in session, he will not be able to make a personal primary campaign, but is seeking nomination on this record of good service.

After passing a truck belonging to Don Yarnell and driven by his brother, Bud VanPelt slowed his car and was sideswiped by the truck on Harbor hill Wednesday morning. Both vehicles were damaged, the body of the car being almost sheared off.

Celebrates Birthday

The ladies society held its regular meeting Thursday afternoon at the social room of the church. The ladies were cutting out aprons to make up for the fall bazaar. Mrs. Eleanor Layman was tea hostess, serving cake and ice cream. Mrs. Agnes Maris, pioneer of this area, who was born in Liverpool, England, Feb. 29, 1868, and who celebrates her birthday every four years, was 84 on Friday. She was the honor guest of the afternoon. The lace-covered table was centered with a lovely arrangement of dachodils from the garden of Mrs. Layman. A beautiful decorated angel food cake, aglow with candles, sat on a music box which played "Happy Birthday to You." The cake was cut and served. Mrs. Maris was showered with many cards and a potted plant from the society.

Mrs. Maris came to Del Norte county at the age of 20, and has resided in the pioneer Maris home for 61 years, where she greets her many friends.

Mrs. Blanche Favor, who also celebrated her birthday, Feb. 29, was honored and birthday greetings extended to her.
