 The demand for purity of purpose and Christian love, one for another, will be brought out in the Christian Science Lesson-Sermon entitled "Man" on Sunday, March 9. Responsive reading, alternating between the first reader and the congregation, includes these verses from Psalms: "Blessed is the man that feareth the Lord, that delighteth greatly in his commandments. Unto the

upright there ariseth light in the darkness: he is gracious and full of compassion, and righteousness" (112:1-4).
 Included among the citations from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy is the Sixth Tenet of the First Church of Christ, Scientist: "And we solemnly promise to watch and pray for that Mind to be in us which was also in Christ Chesus; to do unto others as we would have them do unto us; and to be merciful, just and pure" (page 497).
