

Smorgasbord Planned For Saturday By Smith River Group

SMITH RIVER—The local P.-T. A. is sponsoring, this Saturday, March 15, its annual smorgasbord, expecting to exceed the last year's record performance.

The dinner hour will be from 6:30 to 9:00 p. m. Ted Westbrook will play his organ and John Frost the accordion throughout the dinner hour. This will be a real Swedish Smorgasbord, prepared by those who really know how. There will also be a ham

dinner for those who do not relish Swedish delicacies. The hall will seat many so there should be no doubt about service.

After the dinner a fish pond, sponsored by Girl Scouts, will be held for the children; Bingo is planned for the older boys and girls. For adults there will be square and modern dancing.

Last year more than 500 were served, and the demand was in-

sistent that a repeat be given this year.

Edna Samuelson is general chairman with Anna Marie Westbrook as co-chairman; Vera Clemens and Hazel Curley are in charge of food. Terry Ulrich is in charge of decorations; Mr. and Mrs. Slater are host and hostess, looking after waitresses; Hazel Yahr will have charge of tickets and publicity.

AS I SEE IT!

By Sonya Rush

Sonya Rush, niece of Mr. and Mrs. Harmer, on an extended trip to Europe, writes serially to friends, who believe others of the community would enjoy the information. The Pilot is always glad to have such letters for publication at any time.

She is a darling and the three of us fell in love with her immediately. She stayed at our hotel in San Francisco for one night and then joined her husband aboard his ship. The wife of a captain is not allowed to accompany her husband on sea voyages, and can only go aboard when the ship is in port.

The ship was to leave Thursday, the ninth, we sailed the 12th. While waiting for our departure, we took in a few shows, and saw Frank Sinatra in person. We also visited the docks, it was about 12:00 noon and found that the men only load at night, in order to get time and a half (a quaint old California custom).

We went aboard Sunday evening about 6:00, as the agent told us we would sail that night.

To Be Continued

1. LEAVING THE LILY BELT!

We left Oregon the 5th of Feb. with only the morning star to bid us farewell. We were delighted to find on the very bus we chose to carry us to the good ship Chili, the wife of the captain, who had followed her spouse from France, on up to Vancouver, and was on her journey back to San Francisco, his next port of call.

P.-T. A. Heard Youth's Ideas, At Panel Discussion

Youth Problems—and from the mouths of the youth there are many—were discussed last Thursday evening at the March meeting of P.-T. A. at the school, when Mary Lou Berger, Bob Curtis and Leslie Pullen gave the viewpoint of youth. Speaking for the parents were Virgil Goldsberry, Carl Berger and Mrs. A. Zook. Moderator was LaVerne Landauer.

Mrs. Doherty, of the faculty, was advisor of the students.

At the election of officers, Mrs.

Earl Breuer was named president for the coming year; Mrs. Alice Rausch, vice-president; Doris Crosley, secretary and Mrs. Don Craig, treasurer. All were unanimously elected.

Three flags were presented to the girl scout troops by members of the V. F. W. Auxiliary, sponsoring group.

A food sale has been scheduled for this Saturday at Dimmick's Brookings Market, with receipts to be given to the community library. P.-T. A. members are urged to bring food to the market, or notify one of the committee if it should be picked up.

On March 28, the P.-T. A. will sponsor a youth party at the gym, as part of the youth movement in the area.
