 Theme of the Lesson-Sermon entitled "Matter," which is to be read in all Christian Science churches, Sunday, March 23, is set by the Golden Text from Colossians: "Set your affections on things above, not on things on the earth" (3:2).

That matter yields to power of Spirit expressed by the Soul-inspired consciousness is brought out in the following scriptural narrative from Mark: "And one of the multitude answered and said, Master, I have brought unto thee my son, which hath a dumb spirit; and oftentimes it hath cast him into the fire, and into the waters to destroy him; but if thou canst do anything, have compassion on us, and help us. Jesus said unto him, If thou canst believe, all things are possible to him that believeth. And straightway the father of the child cried out, and said with tears, Lord, I believe; help thou mine unbelief. When Jesus saw that the people came running together, he rebuked the foul spirit, and the spirit cried, and rent him sore, and came out of him" (9:17, 22, 26).

Among citations read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is the following: "The time approaches when mortal mind will forsake its corporeal, structural, and material basis, when the immortal Mind and its formations will be apprehended in Science and material beliefs will not interfere with spiritual facts" p. 402).

Rifle Club Formed For Local Shooters

A group of interested shooters last Wednesday evening, formed "The Brookings Rifle and Pistol Club," under the National Rifle Association rules. This group is affiliated with and part of the Chetco Rod & Gun Club, although set up under different rules.

There will be about 30 charter members. Don Craig is president; Frank Tygart, vice-president; W. W. Smith, secretary-treasurer.

Alvin Buchanan is chief instructor and John Darger is executive officer. Membership papers are now at the Chetco Home & Auto Supply Co. and will be held for a week or so, if any additional people wish to sign

up and get in as charter members.

While an affiliate of the Chetco Rod & Gun Club, this organization must be considered independent. The gun club, however, is giving use of the club house to meetings, or any affair of mutual interest to the two clubs.
