

### Trees Planted In Chetco Watershed

GOLD BEACH—According to a statement by John Porisch, district ranger, 49,000 trees have been planted on the Chetco district of the Siskiyou National Forest. This was 85 acres planted on Jordan creek unit of the Haight & Folkin's sale. The slash had been burned by the Forst Service last October and planting began February 23.

In charge of George Morey of Cave Junction, this job was completed March 9, with an 8-man crew. This tract is located east of the Dale Bravo ranch. Funds to cover the cost of planting were accumulated by a 40c per thousand deposit by timber sales operators.

### Daly Bros. Erect Crescent City Store

The new Daly Bros. department store which is now being constructed at an estimated cost of \$300,000 in Crescent City is beginning to take shape and tentative opening date has been announced for next July.

The new store which will occupy 11,000 square feet will be located at Third and J. Streets, and will carry all lines of popular and high style merchandise. There will be departments for women's apparel, a childrens shop, baby department, boys and mens wear, womens and childrens shoes, hosiery, accessories, cosmetics, domestics yard goods, draperies and many other liens.

Daly's coming to Crescent City will be of special interest to a number of southern Curry residents, the firm stated, because so many have come to Eurkea for shopping. This move will save the customers that long trip.

Dalys, on the other hand, are impressed by the growth of the southern part of Curry county. A survey has been made by the company officials,
