Corner of Pine and Alter Across from the Greenhouse
"Reality" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 30.

The Golden Text is "Holy holy, holy, is the Lord of hosts: the whole earth is full of his glory" (Isa. 6:3).

Among citations which comprise the Lesson-Sermon is the Bible: "For I know that the Lord is great, and that our Lord is above all gods. Whatsoever the Lord pleased, that did he in heaven, and in earth, in the seas, and all deep places. Thy name, O Lord, endureth for ever; and thy memorial O Lord, throughout all generations" (Ps. 135:6,13) together with the following correlative passage from the Christian Science text book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To grasp the reality and order of being in its Science, you must begin by reckoning God as a divine Principle of all that really is" (page 275).

All are cordially invited.

Bakery Opening Attracted Many

Glen and Rachel Young, new operators of the bakery, wish to thank the entire community for the warm reception last Friday in the official re-opening of the local bakery. Ila Lock and Mrs. Bob Williamson assisted in the serving of coffee and cake.

After many months the bakery was closed, the local residents turned out quite strong to welcome the new operators and to show appreciation for the convenience of a bakery.

The new operators go under the assumption that the "way to a man's heart is through his stomach" so have baked tempting pastries for the housewives to buy for the home meals.

Mr. and Mrs. Young, who operated a bakery at Crescent City for several years, are glad to be here where, they claim, they have been astonished at the friendliness of all people.
