Lawyer Entered Marine Corps Duty

Don Pederson, attorney associated with O. H. Bengtson in the Goetz building, and Medford, has been recalled to active duty with the U. S. Marine Corps. Mr. Pederson reported to Seattle today.

O. H. Bengtson, on his trip to Brookings this week, reported he has not as yet been able to replace Mr. Pederson in the Medford office.

Because of that, Mr. Bengtson must care for both offices, commuting by plane between Medford and Brookings, trying to spend part of his time in each office.

Epidemics Wane In Local Schools

The two epidemics, mumps and chickenpox, are waning, according to all information coming to the Pilot. The maladies seem to have about made the rounds among the students, and all those likely to take the diseases.

Classrooms have been riddled in attendance for a matter of a month by both these diseases. A number have been known to be ill with one, and when apparently well, and either in school or in readiness to return, break out with the companion malady of the vicinity.

Mild cases in both, however, seem to be general.

'Concert Week' Is Being Observed Here At Present

"This is Community Concert week in this area," said Dorothy Lockland, upon whose shoulders has been placed responsibility of obtaining renewal memberships, and enrolling new members for a series of four, possibly five, concerts, to be presented at Crescent Elk Auditorium, Crescent City, during the 1952-53 season.

Attendance at the concerts is by memberships only, it was emphasized by Mrs. Lockland, local membership chairman. While a canvass will be made, if any are not contacted, they may leave their membership dues with the assistant chairman, Mrs. Virginia Mincer, at Mincer's Jewelry. The drive will end Friday and after that date no dues may be accepted for the year.

Of special interest to new members is the announcement that all new memberships accepted this week will be entitled to attend the last concert of this 1951-52

season. Michael Rhodes, a young baritone from Brooklyn, will present this concert. After three years in the army, Rhodes has been soloist with the New York Philharmonic under Stokowski.

Purpose of Concert Series

Community concerts is a service that brings great concerts to you, wherever you may be.

Great music is universally recognized as a necessary factor in the artistic growth of the community.

Every community has a large group of citizens who value good taste in musical entertainment

enough to contribute some of their time and effort to make concerts self-supporting.
