How nice it is to be in Brookings. Since visiting with you through these columns I notice many changes in our town. How it has grown! Brookings will be termed a city instead of a town ere long if it grows in the future in proportion as it has in the last year.

An outstanding feature of your town is its friendly atmosphere, it radiates to strangers. Growing up you have not lost that loyalty to your town. You buy at home

Timber! Timber!

Several million feet. Just listed some fine timber on good location for small mill. No roads to build. This won't last until the weekend, so see us today.

Unfinished house and 1 acre, good well, nice setting among trees and well protected. Price is reasonable at \$3500 with terms.

\$1000 will handle a nice country home with half acre of ground—excellent drilled well with a pressure system installed. House is nicely arranged with large fireplace. We believe to see it will make you want it.

Have you a lot and not a house? Well we have a good cabin for only \$550 and you move it. Good size also. Must be sold very soon.

Some of the finest lots in the City of Brookings with city water and sewer. These are really exceptional and may be had on very reasonable terms. Let us show you these.

Just listed some of the finest ocean frontage to be had in this entire area. Some vacant and some with homes.

Just listed: 800 feet on highway 101, south of Harbor. Two wells and fine home. Excellent for motel. Ocean view. This is one of the finest properties we have had the pleasure of showing. Priced well within reason.

For those wishing financing on new homes, see us. F. H. E., Veterans, G. I. and individual loans.

If It's Insurance You Need WE HAVE INSURANCE YOU WANT! See us for all forms of General Insurance through the THE "AMERICAN" INSURANCE CO.

and advertise through your local mediums knowing thereby that you are working directly for the good and growth of your town. Nuff sed!

Your merchants are fully aware that you still cannot supply all your needs here. All they ask is that you look here first. If you investigate fully you may find much the same merchandise as you would in the larger places. They want satisfied customers and they are aware that in a small town you must have what you truly want or you will not be back again.

Easter will soon be here and young people are especially conscious of clothes at this time. It is as it should be. I urge you to be loyal to your home merchants when making your spring or Easter Selections.

Each time that I visit Moore's Variety and Apparel Shop I am amazed at the up-to-dateness of their store. This also holds true of Phillip's Dad and Lad Shop.

Elsewhere in this issue you will find what is offered at Moore's in the way of spring apparel.

Men and boys as well as the fairer sex like to dress up on Easter and other spring occasions. For Dad and Lad you will find shirts, slacks, jackets, and sports coats, ties, hats and shoes, in well-known trade name stock for which Phillip's Dad and Lad Shop is famous.

Passing down the street I am lost for a moment and can hardly believe that I am still in Brookings. The Chetco Drug, now that it has moved to its new location, is definitely a boost to the town. Mr. and Mrs. Francis Arrell are to be congratulated upon the wonderful improvement made in the general arrangement of the store and also the amount of merchandise carried.

What we do know is that we are fortunate living in an age where these are made available. Our great grandmothers never dreamed red and purple would be used in every day footwear. Gould's Shoe Store has a complete stock of Easter footwear on hand.

Small children are not the only ones that are happily surprised if the Easter bunny remembers them. For an inexpensive gift what would be more acceptable than candy? When thinking of candy you will find the best at the Chetco Drug Store: Brown & Haley, Whitman's are brand names that can always be relied upon.

If you have just a few cents to spend you can still get a nicely boxed gift of Almond Roca put out by Brown & Haley that has the Easter cellophane covering or Whitman's put out boxes of Wonder Pops for 39c and chocolate mints for 49c. A pound box of bridge mix at \$1 rather intrigues me.

If one wishes to remember the wife or sweetheart there is a great variety to suit any pocket-book. Boxes range in weight from 1 to 3 lbs. It goes without saying these boxes are beautifully put up and you would be proud to give any one of them to a loved one.

Shoes are prettier this year than ever before. Last year we said the same thing and we will probably be heard saying the same next year. Where the designers get their inspirations for these new creations is more than you or I know.
