Practical repentance is emphasized in a Lesson Sermon devoted to the "Doctrine of Atonement" which will be read in all Christian Science churches on April 20.
"The atonement requires constant self-immolation on the sinner's part" is the statement from page 23 of the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which is read together with the following, "If the disciple is advancing spiritually, he is striving to enter in. He constantly turns away from material sense, and looks towards the imperishable thing of Spirit. If honest, he will be in earnest from the start, and gain a little each day in the right direction, till at last he finishes his course with joy" (page 21). The scripture (Micah 6:8), "—what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?" keynotes this portion of the sermon.

Six visitors were present: Ethel Malone, Elaine Hoffele and Gladys Shelton of Myrtle Creek lodge; Alice Holland of Weaverville, Calif.; Lucille Cole of Mapleton and Leatha Phillips of Sheridan.

During the business meeting, Mrs. Verna Mendenhall and Mrs. Ethel Frazier were elected delegates to the Rebekah Assembly at Salem in May, and Ethel Olsen and Bertha Whirry as alternates. Rita Tierce was recommended to be the district deputy president for the coming year.
A social hour followed the meeting and refreshments were enjoyed.
