*SprayRite makes
Weed Control EASY*

- Mounts quickly to Ford or Ferguson hydraulic systems
- Suck-back action helps eliminate jet clogging!
- Exact pressure control at all ground speeds!
- Mounts readily to Case VAC with adapter hitch

SPRAY RITE EXCLUSIVE CONTROL BLOCK
AUTOMATICALLY KEEPS JETS CLEAN

Spray Rite's patented control block not only helps keep spraying jets clean, operating freely at all times with even the most difficult liquids, but gives you instant finger-tip control of either boom. No drip! No dribble! Complete-in-one unit is easy to install. 55-gallon tank has continuous agitation.

Shipping weight 160 pounds
