In a Lesson-Sermon entitled "Probation after Death" to be read in all Christian Science churches, April 27, consideration will be given to the scripture which serves as the Golden Text: "God will redeem my soul from the power of the grave: for he shall receive me" (Ps. 49:15)

Through a citation from the Christian Science textbook: Sci-ence and Health with Key to the Scriptures, by Mary Baker Eddq, the first reader points out, "We

know know that all will be chang-ed 'n the twinkling of an eye' when the last trumpet shall sound, but this last call of wis-dom cannot come till mortals have already yielded to each less-er call in the growth of Christian character. Mortals need not fancy that belief in the experience of death will awaken them to glori-fied being. Universal salvation rests on progression and probation and is unattainable without them" (page 191).
