

Housing Project Near Entrance of 'Azalea State Park'

Other places do not have all the housing problems—not at all. Brookings area could use about 500 houses handily, and possibly not relieve the situation. Above is a housing project, built near the entrance of Azalea State Park. These, like all housing in this area, is spoken for long before the structure is completed.

Special Edition Is 54 Pages In Size

Unless one is familiar with the art of editing and printing special editions, it is difficult for him to visualize the work — hours and hours of it — which go toward the completed task.

The first task is to determine a theme for the edition, which in the case of this one, is "Progress," and then gather all possible material which denotes or depicts progress over a decided duration, which in the case of the Pilot is from 1946 to 1952, the span of the Pilot's publication.

In gathering this material an effort must always be made to show the movement forward, the change in times, the amount of new businesses, new industries, new homes. Any of you readers can readily see that such a task is something for the books. For instance, when this issue was begun, Lynn O. Hampton was asked to furnish data concerning the local schools. He complied, and today, three months after that section of the paper was compiled and published, those figures are as out-dated as last year's school budget.

Nothing is static about this immediate area. Pictures change in a pace that reminds one of a movie camera. You might drive by a certain spot for weeks, and then one day, there is a pile of lumber—a week later, a skeleton of a house, and a month later, a family lives there. Such is the picture this edition tried to depict but has not done too well.

With one linotype, one press, and but two men, the task seems more herculean as each section was taken from the press. The results which were the hope of the management seem to get farther away with each succeeding page. Perhaps the results of this issue will be as disappointing to the Pilot readers as they are to the editor.

Nevertheless, an earnest effort has been made, and physical energy has been expended in the attempt. Readers must be charitable, since editors and printers are but human and subject to any human weakness.

Fox Bros. Trucking Firm Has Large Warehouse & Office

Fox, Bros., Lloyd and Fred, have built up quite a large trucking business in this area, employing many men, and using a fleet of many trucks to haul lumber, plywood, heavy machinery, etc. A year ago the brothers built a large warehouse, shop and office building, where truckers can find not only large scales for weighing of loads, but may obtain mechanical work on any of their equipment. This business is within a stone's throw of the Brookings Plywood Plant, scene of much activity.

Parking Problem Is Acute In Brookings and Vicinity

This picture, caught by Ed Ingram, is the main street, or Chetco Avenue, looking eastward. At rush hours its streets has so many cars on it that parking is all but impossible to find parking space while shopping. Parking problems already are making the city council study ways and means of relieving problem.

# Brookings-Harbor Pilot

BROOKINGS, CURRY COUNTY, OREGON. Section Five—Home

GROWTH IS JUST BEGINNING!

With promise of a hard-board plant's location in this area, growth of the past five years will be small in comparison, many tell the Pilot. These people explain that there will be more employment, more people seeking a business location, and professional people due in this area within the next year or more.

The Pilot has no way to verify these statements, nor has it any proof of their not being correct. If the past may be used as a yardstick, then it might be safe to predict almost anything for the community. Certainly the community will not slip back to those days of the past.

Many times weekly the Pilot receives letters from people (many of whom do, or did not, know the name of Brookings' paper) asking that sample copies be mailed. It is surprising how many of these inquiries have later become subscribers. What will eventually happen might also become an interesting story for these columns.

One candidate was given the first and second degrees, and the women's degree team demonstrated the third and fourth degrees to four candidates. Mary Woodworth announced the next HEC meeting would be held all day at Docia Sweet's the third Thursday of May. Agricultural committee reports farmers income down and farmers are borrowing more money from banks for running expenses. Kenneth Thompson spoke on the county fair. He said the new fair books were going to be remodeled. Also spoke on plan to have all garden clubs of county responsible for floral booth each year. It was announced that Chas Brooks of Sixes would speak to the next meeting on the REA. The new soil conservation district was discussed and a petition in its behalf is being circulated.

Everyone who saw the play presented by the Langlois senior class, faculty members and wives are unanimous in their praise of the performance. A cast well chosen and trained to perfection, a play teeming with the unexpected made for a hilarious evening.

Curry county fair board met Monday night at the court house. All members of the fair board, Kenneth Thompson, mgr., Billie Wade, secretary, were present. Cliff Jenkins, W. D. Sibley and Marion Brooks also attended. \$200 was granted Ophir Grange to help replace the building used as food concession and destroyed by storms during the winter.

There was considerable discussion about prospects of obtaining a merry-go-round and rebuilding barns for better 4-H booths. No Wranglers or livestock men were present and it was asked that chairmen of different organizations planning on taking part in the fair be present at the next regular meeting with a list of events to be incorporated into one program. The next meeting will be on May 19.

Langlois Spring Music Festival Langlois spring music festival is set for May 8, at the high school gym at 8 o'clock p. m. This is a special event sponsored by P.T.A. and no one will want to miss it. 'Family' Will Be Theme of Address

"Tasks of the Modern Family," will be the subject of Dr. James Millar's lecture at Curry County's Fifth Annual Homemaker's Festival at the Ophir Grange hall, Wednesday, May 7. As director and lecturer for the Good Citizenship Foundation, Dr. Millar brings to the lecture platform a

keen understanding of everyday living problems. As an educator, he presents practical facts to bring about better understanding of citizen responsibility, family life, preparation for marriage, the youth guidance and community developments.

Dr. Millar is also scheduled to talk to high school groups while he is in Curry County.

Miss Wanda Gossage, county extension agent, urges all homemakers of the county to attend the festival this year.

The program begins at 10:30 a. m. with exhibits on display. Luncheon will be served in the basement of the Grange for \$1.00. Bring your own silverware. Bring the children along as there will

Entertained Group

Don's Cliff House was scene of a dinner party given Friday, Apr. 25 by C. M. Carver and H. W. Huseby of Carver-Huseby electric, for officials of the plywood corporation and their wives. Included were:

- Mr. and Mrs. Jack McCarthy.
- Mr. and Mrs. Vern Bloomquist.
- Mr. and Mrs. Ray Reese.
- Mr. and Mrs. T. T. Connelly.
- Mr. and Mrs. Arthur Knox.
- Mr. and Mrs. Ed Sund.
- Mr. and Mrs. Guy Way.
- Mr. and Mrs. Ray Arnett.
- Mr. and Mrs. Al Botzek.
- Mr. and Mrs. George Dalton.
- Mr. and Mrs. W. J. Hamann.
- Mr. and Mrs. Carl Sorensen.
- Mr. and Mrs. Neil Martin.
- Mr. and Mrs. C. W. Carvey.
- Mr. and Mrs. H. W. Huseby.
- Mr. and Mrs. Carl Mason.

Girl Scouts Gain In Community

In the fall of 1945 eleven girls were registered as a lone troop with the world-wide organization of Girl Scouts under leadership of Mrs. Frances Henry.

This group functioned with the sponsorship of P. T. A. for three years with the total number of girls in Dec. 1947 being 23. Mrs. L. D. Horner, assisted Mrs. Henry with the intermediate groups of Girl Scouts.

For lack of leadership the scout work was then dropped for two years.

In 1949 the V. F. W. Auxiliary voted to sponsor the Girl Scout

be baby sitting service, during the day.

Miss Lucy Lane, clothing specialist, will represent the Oregon State College extension service at the festival this year.

organization. An ambitious committee of five women re-organized the scout work and leaders as Mrs. Roy Brimm, Mrs. Ira Brown, Mrs. Tom Doherty, Mrs. John Ginther and Mrs. Paul Shrader, pioneered the work.

Fifty-one girls registered and three groups functioned: The Brownies, Intermediates and the Seniors.

At present the membership includes a committee of ten, six leaders and assistants, 21 Brownies, 18 Intermediates and seniors. The leaders and assistants have given much of their time to further the work. The community as a group, would say Thanks, if a community could do so.

Landings Explained By 'Bill' Brown

Bill Brown, Brookings' chief of police, who was with the 41st division in World War 2, told the Rotary Club, Tuesday noon, of the many landings participated in by the division.

In prefacing his remarks he told of the work involved before any landing is made, of the many items which must be considered. He told of the New Guinea campaign, and on throughout the conflict until the division was deactivated in Japan in 1945.

LANGLOIS

By Marion Brooks

At the regular meeting of the Langlois P. T. A. held in the grade school gym the special curtain committee announced that the school board had given \$300 toward the new curtain for the high school stage in the gym. The curtain is costing more than anticipated. The P.T.A. and student body are paying the remainder of the cost. The new curtain is now installed and is very attractive. On the program for the evening the public health nurse, Mrs. Dorothea Miller, showed film, "Human Beginnings," and lead the discussion which followed. The same film will be shown in the October meeting and a vote taken as to whether it will be shown in the primary grades at school. It was a fine meeting with much lively discussion. Next meeting will be May 20 and installation of officers.

Mike Rigik of Coos Bay, and formerly of Denmark and Port Orford, was in Denmark Friday making arrangements for sale of his property.

Mrs. Lute Henry and Joanne went to Coquille Wednesday, to have Joanne consult a doctor.

Mr. and Mrs. Bruce McDonald left for Newberg and Portland Thursday on a business trip.

Mrs. H. H. Hansen has been at Portland the past week helping with the demonstration of Blue Vein cheese making being staged in a window of Meier & Frank.

Mr. and Mrs. C. H. Brooks were at Gold Beach Thursday to attend a specialty crops meeting of the lily growers of the area.

Mr. and Mrs. Bill Thompson of Newport visited over Sunday at the Kenneth Thompson home on Floras Lake Road.

Hofess and Jim Thompson made a business trip to Salem and various points of the Willamette Valley the first of the week.

Sixes Elk Extension unit met at the home of Mrs. O. K. Wilcox Friday. Election of officers found Edna Peterson as chairman; Mrs. Myers of Elk River as vice-chairman; and Gladys Hoy as secretary. The next meeting will be at Vera Pook's and will be installation of officers.

Walter Mabin of Sixes is leaving for the summer and has re-

ed his house to Mr. and Mrs. Paul Langer and daughter, who recently came here from Germany. Capt. Jack McDonald recently returned from Korea and is visiting his parents, Mr. and Mrs. Duff McDonald of Sixes, and his wife and three daughters at Portland. He will be stationed at Tombstone, Ariz.

Docia Sweet and Mary Woodworth visited Ophir Grange Friday night in interest of Grange Life Insurance.

Mr. and Mrs. A. W. Britton went to Broadbent Sunday to attend a reception given in honor of the golden wedding anniversary of Mr. and Mrs. Tice Waggoner. Mrs. Britton will remain in Myrtle Point with her mother, Mrs. Carl Gant, who is ill with influenza.

Miss Muriel Hughes took Chas. Clarke and Dick Everest to Eugene to attend the "Duck Preview" or in other words the activities arranged for senior visitation week-end.

Miss Goldie Carrol went with Miss Hughes as far as Springfield, her home. She was unable to return home for a visit due to Greyhound bus strike.

Mr. and Mrs. Archie Aldropp had as week-end guests, her sister, Mrs. Lee Layton, and husband, of Dallas, Ore.

Mrs. Jo Oscar will accompany the Art Aldrops to Portland and remain to visit a few days with her sister.

Mrs. June Gardner and two children of Glenwood were in Denmark Saturday picking up some of their belongings that had been stored on the Les Hutten place, recently sold.

Floras Willow club met Thursday at the home of Mrs. Dick Erwin at Denmark. Eight members were present. A pleasant afternoon was spent sewing for the fall bazaar. The next meeting will be held at Eva Cope's home on May 8. Stella Slocum and Dolly Nilsen will serve refreshments.

Art Aldropp will attend the Loggers congress, to be held at the fairgrounds, Eugene, May 1, 2, and 3. He will have a display and will demonstrate his loggers scales, manufactured at the Aldropp Garage, Langlois.

Mr. and Mrs. Al Volck attended the wedding reception held at Broadbent, honoring Mr. and Mrs. Tice Waggoner, Eunday afternoon.

Sixes Grange met Saturday.

Sixes Grange met Saturday.
