

### Tea Held Thursday At High School

The girls in the home-making class of the high school, under direction of Miss Betty Tyler, entertained with a fashion show and tea Thursday afternoon at the school.

All girls of the school were asked to participate in modeling the old as well as the new styles. The oldest dress was of the 1855 period, worn by Peggy Gran and borrowed from Mrs. Ed Ingram.

Many wedding dresses as well as mother's graduation dresses, were in evidence. Girls and dresses were announced by Della Mae Richardson, as the girls modeled them, with appropriate music accompanying them, with Mrs. Ed Freeman at the piano. Mrs. Freeman is the former Carol Crockett.

Girls of the home economics class that had charge of arrangements were: Della Mae Richardson, Joan Pettigrew, Peggy Gran, Carolyn Hansen, Loretta Waldien, Shirley Harper, Anita Overman, Karen Simpson, Jo Ann Tyler, Roberta Matlock, Carol Ann Benson. Carol Hansen was chairman on food preparation for the tea, which was served at the close of the program.

### Bruins To District

Brookings High Bruins who won the Coos-Curry County Baseball championship, by winning the playoff game against Bandon at Gold Beach, Monday, will go to Drain, Friday. The Bruins won by a score of 15 to 4.

Brookings tipped Bandon 8-7 in the first game, lost the second to Bandon 7-6 in overtime, but came out sluggings to take the important tussle.

When Bandon was able to eke out an extra-inning game from the Bruins about a week ago, to tie up the series at one-each, they were confident, Monday that the Bruins had not what it took to win the two-county district title.

At Gold Beach, Monday afternoon, the Bruins, tasting victory and a chance to go to the district for whatever may be their lot, went right to work on Bandon with friendships dropped for the afternoon. Right in the first inning it became evident of the Bruins' intent.

Boyd Westerner, first up, became the first runner, and two tallies were sent across. By the third, the Bruins led 4-2, and then the Bruins got down to business of manufacturing runs. Jim Grush, hurling for the Bruins, was master at all times, and only once, in the sixth, was he threatened any damage. The box score:
