

Double Header Is Set For Sunday

The strong Bandon Millers who won two games from North Bend the last week-end, come to this area Sunday for a double-header against the Beavers at the high school diamond, Sunday afternoon at 1:30.

Local fans will likely see Ad Liska, former Portland Beaver, and Bill Hanauska, ex-Brooklyn Dodger farmhand, on the mound for the Millers. Playing manager and catcher for Bandon is Bill Burgher who formerly played in the Coast League with Portland and San Diego and last year was with Oklahoma City in the Texas league.

The Beavers will have many new faces this season. Only players remaining from last year's club are Manager Whitey Matson, Bunky Peterson, Wally Maciel, Keith Johnson, Kenny Kimura and Hank Westbrook. Newcomers include Bill Darnell and Bob Chapman from Glenwood, Wash., Bill Wallace of Gold Beach, Don Jacobson, Frank Burdell, Phil Parson, Louie Mauer, Dave Campbell, all of Southern Oregon College at Ashland.

Wally Maciel is the probable mound choice for Brookings in the first game and either Keith Johnson or Bill Darnell slated for pitching duty in the second.

Beavers Topple Butte Falls, 8-1

Brookings Beavers defeated the Butte Falls team of Rogue Valley league, by an 8-1 score in a practice game, Sunday at Butte Falls. The Beavers touched Floyd Shotwell, ex-Eugene and Medford Fall West leaguer, for three hits and two runs in the first inning but could not break through in the scoring again until the ninth when they scored six runs on a combination of three hits, a walk and three Butte Falls errors.

Bill Darnell was hitting star for Brookings, coming up with four hits, including a double and a triple, in five trips to the plate.

Darnell also started on the mound for Brookings and pitched shutout ball with only three scattered hits over five innings. Keith Johnson allowed two hits in the final four frames but an error in the ninth robbed him of a shutout.

Short Score: R H E
 Brookings 200 000 006—8 11 5
 Butte Falls 000 000 001—1 5 5
 Batteries: Darnell, Joranson (6) and Peterson; Shotwell and Copeland.
