GUEST EDITORIAL

The First National Bank of Portland, as elsewhere reported in the Pilot, has opened a branch in Gold Beach. This advent of a great bank into Curry County speaks well for future business in Southwestern Oregon. When a bank of this magnitude invests a large sum of its money in Curry County we may rest assured that the business possibilities of this area justifies its investment.

The wonderful progress of the Oregon State Bank of Brookings, its fine service to this community and its deposits which run into the millions is added proof that the economy of this area is as safe and sound as any area on the Pacific Coast. In fact we may be living in one of the best business areas of the United States.

We have too long been a sort of a forgotten land. Industry has by-passed us and established itself elsewhere. This has all been changed by the hard work and untiring efforts of men who, with vision, have come among us and uncovered the possibilities and opportunities that exist here.

As yet our economic surface has hardly been scratched. Our future holds great promise. Brookings and Curry County are on the upswing and with the impetus that is now behind us we have every reason to believe that this area shall soon become one of great industrial development. We have those things that business needs to succeed and business is discovering what we possess.

The Pilot congratulates the First National Bank of Portland in its coming to this area. We wish it every success in its venture. When this new bank opens its doors in Gold Beach it shall be one of the finest moments in the history of Curry County.

Garden Club Will Meet Thursday 11

The members and guests of the Azalea Garden Club are scheduled to hold the September meeting on Thursday, the 11th. This will again be a dessert luncheon and the ladies are invited to come at one o'clock, which will give us time to greet old friends and become acquainted with the new members before luncheon is served. Tables will be set-up indoors in order that we may go ahead with our plans, rain or shine. No meeting, however, Mrs. Palm guest speaker is scheduled for this Stott has consented to lead a discussion on birds of this area and inasmuch as she has made two trips out to Bird Island, this should provide a very interesting topic. The Roll Call Response will be "Bring a specimen Dahlia and name if possible." This doesn't mean that you necessarily have to have grown it; borrow one from one of your gardening neighbors or cut out a picture of one from a seed catalog. The "Five Minute Talks by Members" will be conducted by the program chairman. Mrs. Arthur Knox will present the Bird of the Month; Mrs. Lester Twohy the Flower of the Month; the Arrangement of the month will be a Line Arrangement of Dahlias featured on the luncheon table and evaluated by Mrs. Almo Newton. Mrs. Clara Kerns will have a report ready on the participation by the Azalea Garden Club members in the Curry County Fair entries.

GLENN HURSTS ENJOY VISIT FROM RELATIVES

Mr. and Mrs. Glenn Hurst enjoyed a week's visit from their son-in-law and daughter, Mr. and Mrs. Gerald Smith. Mr. Smith attended New York University the past year, receiving his Master's degree in June, while Mrs. Smith taught in a therapeutic school. The couple left Tuesday morning in their 1934 Ford and trailer which took them to N. Y. and back again without any trouble except one blowout.
