

The patrons of Norris Kemps theatre are now enjoying a beautifully decorated interior as well as good class movie entertainment. Equal to any good big city movie house in up to date planning and convenience, it has a color scheme and arrangement that will please the most discriminating taste. Beautiful carpeting and hand-painted decorations on the walls in green and colors of tropical foliage. More new seats have been installed with the extension of the building at the back, and a fine stage is available to the community. The exterior has been newly painted and remodeling is nearly completed.
